The syllabus has been approved by the committee without any changes.

- IV. Members of the Committee along with Prof. Rajan Mahan strongly felt and recommended regular interaction of students with professional from the media industry preferably every week or at the least once in a month on regular basis.**

The meeting ended with the vote of thanks to Chair and all the members of the Committee.

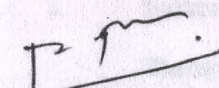

(Prof. Ravi Chaturvedi)

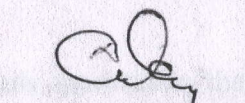

(Prof. Mridul Shrivastava)

(Prof. Rajan Mahan)

(Dr. R. K. Rawat)

(Dr. Oinam Bedajit)

School of Journalism & Mass Communication

Minutes of the Departmental Staff Committee Meeting held on 22nd May, 2015 at Board Room of Faculty Block 3 on 2.00p.m. The following were present in the meeting:

Chair : Prof. Ravi Chaturvedi, Director J&MC

1. Dr. Ramesh Kumar Rawat, HOD J&MC.
2. Dr. Oinam Bedajit Meitei.
3. Mr. Tanveer Ahemad.
4. Mr. Rahul Babu Kodali.

After reviewing the existing BA (J&MC) course structure, the Chair proposed to discuss some modifications in the course structure.

In this respect the committee identified that:

- The existing course structure consists theory-practical ratio of 70:30, whereas the media industry intakes candidates with practical experience.
- The committee also felt that the approach of teaching core subjects is very orthodox and is inapt to produce the required output.
- The committee held that few new subjects should be introduced as per the industry requirement & to retain the interest of students who have joined the course with great enthusiasm.
- The committee stressed that the last semester should be dedicated for specialization so that the students can have a practical work to show in their future endeavor.

After identifying the above problems the committee tabled some proposals.

- The committee first proposed to change the approach of course structure ratio from 70:30 theory-practical to 30:70.
- Secondly some subjects as Reporting, Writing for Mass Media, Editing etc. should be completely practical and the credits for courses with practical credits to be divided into 2-2 ratio. The committee also suggested dedicating practical classes to some existing theory courses viz. Event Management, PR & Corporate communication.
- Thirdly the committee proposed to introduce new subjects viz. Heritage & Cultural Tourism (I Sem); Visual culture (I sem); Documentary film(I Sem); Photography (II Sem); Basics of Video Production (III Sem); Film Appreciation & Aesthetics (IV sem); Study of Traditional Media (IV Sem); Development of Cinema (V Sem) and a media project in either print/ electronic/online media along with its dissertation to make the course more competent.
- The committee planned to create a video archive in near future when the new studio is set up, for the interviews of all the dignitaries that visit MUJ.

Closing time: 5.15p.m
