Subject: Marks entry mistake

Dear Sir,

Today I received a call from student of BA(J&MC) III Sem: **Shefali Rawat** Reg.No: **131002009** regarding her grade in subject "**JC1413 – Principles of Event Management**". After her call I checked the results in which she has got "**D**" grade but she has secured "**90.5**" marks in total & "**47.5**" marks in **END SEM as per award list**. After checking the AMS it has been noticed that the **END SEM** marks were mistakenly entered as "**4.57**" which makes the **total "48"**. So I request you to look into the matter and is it possible to rectify the mistake. If so please inform.

Inconvenience caused is regretted.

Respected Sir,

Sub: - Discrepancy in Second Semester Result (M.Sc. Physics)

I am a student of Physics at the school of Basic sciences under the M.Sc. by Research curriculum. I wish to draw your attention to a discrepancy in my second semester result, a formal request for which has already been via email earlier.

The grade for the subject code PY2132 Electronics Lab, shows a 'C', since the AMS does not seem to have picked up the final assessment marks (out of 40), and I have been graded based only on the marks out of 60 which are for Internal Assessment.

I hence request your kind ^{interference} in the matter for a speedy resolution. Attached herewith are a copy of the online screenshot of my result grades for the second semester, along with a copy of the email sent on June 17 by Dr. Nilanjan Halder who is ⁱⁿ in charge for the subject.

Subject: Chemistry internal marks.

Sir,

I am a 3rd year Mechanical Department student Reg-NO-110109039
in my first year I scored 15 out of 50 in the internals of chemistry
but in the ~~AMS~~ AMS they are showing only 6.5 marks
which I think are incorrect. There has been a mis-understanding
regarding my summer re-registration but I assure you I
never re-registered for the summer semester which means AMS
should be showing 15 marks as my internals and not 6.5 marks.

I request you to please look into this matter.

Yours faithfully,

Subject: Request to allow to give back paper in the month of May.

This is to bring to your kind notice that as I, Vivek Anand, a student of VI semester of your branch, have been selected by Dr. Sumit Srivastava for a Summer University Program in Singapore from 12th July 2014 to 27th July 2014, so I won't be able to give my back paper during Make-up examinations which will be held in Summer 2014, as I have only one paper, Basic Electrical Technology (EE1101) and the timetable of May End Sem exams is also such that it does not clash with any of my regular semester papers.

I request you to please look into the matter and allow me to give the paper in May.

Thanking you,

Yours faithfully

Respected Ma'am,

I would like to thank you for the opportunity provided to the students to clear their odd semester backlogs. I apologize for bringing the topic yet again but i have been receiving numerous requests from the students to forward their plea of organizing a set of even semester backlogs in January. They have cited placements as a reason and do not want to lose out on any opportunity due to the backlogs.

Office of Controller of Examinations
Note Sheet

Dean FoE

Date: 26th Dec.2014

We are herewith forwarding possibilities & difficulties in conduction of special make-up examinations for outgoing batch:

No. of course left in even semesters

- As per the letter forwarded to office of CoE, there are total 42 courses of even semesters to be cleared by 25 students of outgoing B.Tech., batch, out of which 22 are different courses.

Difficulties in conducting and handling the cases

- At present there is no provision of creating additional component in AMS, if we allow make-up examinations in the middle of any semester (~~except summer~~).
- In case if we permit, the result has to be processed manually, and then grades are to be uploaded in AMS, which will reflect the student has cleared opted courses in JUL-NOV 2014 session (in connection to previous point), if he/she clears in special make-up.

Performance in special make-up examinations conducted during Dec.2014

- Special make up examinations in odd semester courses for outgoing batch, success rate is 42.42% (17 students registered for 33 courses out of which only 14 courses cleared by students)

Advantage

- If a student clears all back log courses, creates an opportunity to participate in upcoming placement drive.

Put up for consideration

Respected Mam,

Kindly Consider the following two Students for their Attendance shortage. The reasons for Attendance Consideration are:-

A

- 1) They are Local Behmi Kala Village Students
- 2) They are regular in their classes.
- 3) Earlier they were permitted for 50% Scholarship in their fees amount (as Local village people). But later on 28th month of Jan. 2014 it was communicated to them that scholarship is applicable on 2013 Batch. These Students are from 2012 Batch.

- 4) As mentioned in above point, they took some time to arrange Balance fees amount. They paid their fees on 28th Jan 2014. After 28th Jan their attendance is marked in AMS. Before 28th Jan they were regular in their classes. The Attendance Status is Attached with this application.

We request you, kindly Permit these two Students (Jagat Narayan & Anuprakash Kunnawat) for their final exam of Financial Management, Corporate Law & RM. We will be highly oblige.

Thanking you.

Subject: Request for leave

Respected Sir,

Reg. 139/05-228 - H.

My son, Adnan Husain has been suffering from Typhoid since the 17th of April. He has been hospitalised for antibiotic treatment and advised complete rest by the doctor. Since the fever has still not come down today (24 April) the doctor is suspecting a secondary infection and Adnan is undergoing further tests.

Sir, My son has missed the Physics Practical exam and will also miss the workshop practical which is to be conducted tomorrow. I have duly informed Mr Sushil Kumar Jain and Mr. Ankur Srivastava of the problem.

Also Sir, i cannot say for sure when Adnan is likely to join back, I request you to consider the case and and request you to please grant him medical leave for the rest of the working days.

I will definitely update you on his status once we know things for sure.

Thanking you,
Anjum Husain

Respected Sir,

I was unable to give my end-semester examination of Mechanical Engineering Sciences on the 13th of this month because of ^{some} major medical issues, due to which it was difficult for me to walk till the examination hall and give my exam. I have been prescribed the proper medication by the doctor, and now I have attached that slip to this application. I was ~~to~~ hoping whether you could allow me to give a retest for this subject.
