Respected Madam,

Sub: NA in subjects registered.

I am Anshuman Singh (Reg no: 139106462) student of 2<sup>nd</sup> year ECH (EEE) program. I am a lateral entry from Manipal University (Main campus). I was supposed to clear B.E. and 5 papers. I gave the sessionals and the exam for both did not attend their respective classes. Since I was new to college, when I registered for the courses, I was under impression that I have to only sit for tests with my allotted section. I'm deeply sorry for my mistake and I request you to forgive me or guide an alternative path so that I don't ~~have to waste~~ repeat a year.

I apologise for my mistake. ~~and I~~

Sir,

This is to inform you that I had incorrectly uploaded 0 marks instead of 13 for one student by name Akash Lamba (140902007), B.COM II end semester course of Cost Accounting (CM1201). This exam was conducted on May 2015. I deeply regret the inconvenience caused to the student in particular and to the office of COE in general. I assure that I would be careful in posting marks on line. I also request you to verify the marks of Akash Lamba got in the course from his answer booklet duly submitted at your office.

This error could have happened due to fatigue and stress of continuous travelling for TSB admissions during May 2015 and pressure of completion of correction and posting of marks on AMS within the stipulated time. I still deeply regret my error in this regard.

I request you to be kind enough to correct the marks of the student.

Thanking You

On my mid term exam sheet, I forgot to mention the date on which my exam happened. The date when I have given my exam is 7th Sept 2015. I request you to accept that exam sheet so that I can clear my exam.

Respected Madam,

I had secured F grade in the year 2013-14 session in third semester in the following subjects with 83% aggregate attendance.

EC1302 : NETWORK ANALYSIS

EC1303 : LOGIC DESIGN

EC1304 : COMPUTER ARCHITECTURE AND ORGANISATION

EC1305 : SIGNAL AND SYSTEM

I re-registered for the above mentioned subjects in 2014-15 session for securing better marks in internals, but unfortunately I was awarded DT grades in all of them due to sickness and health issues (documents attached herewith with doctors certificate)

I would like to nullify my re-registration and revert back to my F grade status considering attendance along with its internal marks of second year (2013-14) so that I can appear in the makeup exams and clear all backlogs in this session.

These students have not cleared the above course even during their II year as well. As per the MUJ rules and as informed by Dr. Ajay Kumar of Academic section, the student who have not cleared there first year subjects in their second year also, are not eligible to be promoted in the 3<sup>rd</sup> year.

However, on the humanitarian ground, these students may be given one more chance as special cases, since due to failure in one subject only they will lose one year. They could be asked to clear the paper in 3<sup>rd</sup> year with the condition that their result will not be declared unless they clear the due paper

Subject: Humble Prayer for allowing me to appear for themakeup exams of 3<sup>rd</sup> Semester.

(Through Proper Channel)

Respected Mam,

I, Rohit Chakraborty of 2012-13 batch, seeking your kind permission and consideration for allowing me to appear for themake-up exams for 3<sup>rd</sup> semester satisfactorily to complete my second year and get promoted to Third year without any backlogs.

I completed my first year satisfactorily in the year 2012-13.

I registered for the 3<sup>rd</sup> semester for the duration August 2013 – December 2013. I had F grades in the following subjects EC1301, EC1302, EC1303, EC104, EC1305, scoring only 6 credits in total.

In the 4<sup>th</sup> semester from January 2014 – July 2014 I had F grade in 3 subjects, thus obtaining 13 credits in total. So, at the end of session 2013-14 (2<sup>nd</sup> year), I was short of the required 75 credits, resulting not getting promoted to third year.

In the new session from August 2014-december 2014 I re-registered for the 3<sup>rd</sup> semester courses I had F grades (EC1301, EC1302, EC1303, EC104, EC1305) for improving my internals. But I was unwell, and due to my illness I was not in condition to concentrate on the said subjects affecting my studies. I had to take an unexpected leave in between the session, thus failing to meet the required 75 % attendance for taking the final end semester exams (December 2014), being declared DT grades in all of them.

Currently I am enrolled for 4<sup>th</sup> semester in the session January 2015-july 2015 and have been regularly attending classes and exams, working really hard to gain and improve my cgpa and my result.

I would fervently solicit if you nullify my re-registration for the 3<sup>rd</sup> semester session of August 2014-December 2014, so that I can regain my F grade status and my internal marks scored in August 2013-December 2013 to appear in the makeup exams in July 2015 for the subjects which is currently showing DT grades (EC1301, EC1302, EC1303, EC104, EC1305).

Thanking You,

Respectfully yours,

Rohit Chakraborty.

Respected Sir,

This is to inform you that there is some mistake in registering the marks on the ams page. I  
Anirvinna Ash, Regd no- 120502037, student of Civil 3rd year, scored 79 marks in the end semester examination,  
and had internal marks 19 out of 50. Which makes a total of 58, but on ams it shown as F, which means that i  
have failed the subject which is not the case as i have passed the subject judging by the marks.

It will be very kindfull of you to look into the matter and take the necessary action needed to make  
a correction in the result published on ams.

Thanking You,

Yours faithfully,

Sub:- Regarding Correction of two students' End Semester marks  
in Subject - Mechanics of Solids, code:- CV1101.

(Through proper channel)

Sir/Madam,

Respectfully I want to state that, along with regular  
students of 1st Semester I entered end semester marks  
of Mechanics of Solids for two re-registered students of  
1st Semester without considering 50% weightage, which must  
be changed from 40% to 50% weightage. Due to this, they (both)  
students have failed in the Subject Mechanics of Solids.

Details of Students:

<u>Sl No.</u>	<u>Name</u>	<u>Registration No.</u>	<u>Existing marks</u>	<u>Marks to be corrected as</u>
1.	Rishabh	149104364	14	18
2.	Koshal Mundhra	149111606	13	16

Hence I request you kindly to allow for the  
correction in benefit of the students so that they can clear  
the subject.
