To,

Head of the department,
Electrical and Electronics,
Manipal University Jaipur,

Respected sir,

I, Srijan Sharma (139106463) took admission in Manipal University, Jaipur through lateral entry in my 3rd semester (2014). In my fourth semester of study in this college I registered for all the courses even the ones I had already cleared in MIT. After my first sessional one course (i.e DSDCA) which I had already cleared in MIT I stopped attending classes and verbally communicated the same to my HoD at that time (Prof. (Dr.) S.K Jhajharia). He asked me to give an application for the same and request to consider my MIT grades for the course, however due to my negligence I forgot to give the application to my HoD, which had been by far the biggest mistake of my life and I am extremely apologetic for the same. After that I took the impression that as I have already cleared the course and informed my HoD, I did not register for the course in the coming 6th semester also inspite of my DT status in the AMS. When I came in my 7th semester I was not able to register for the courses in the semester as I was told that I have a DT grade in this course. On 9th August, I met Prof.(Dr.) S.K Jhajharia and he told me to meet my current HoD (Dr. Amit Soni) with his remarks on my application. I submitted the application to my HoD, but he told me that the matter had to be discussed with the academic incharge, however during all of this time my current HoD has been extremely helpful and he allowed me to take my regular classes whenever it was possible, which I did. When I was allowed to take my regular classes then I deposited my entire fees for this semester (tuition + hostel accommodation = 2,80,000) on 13th of August 2016. When I approached my HoD for my registration then he told me without the recommendation of Academic Incharge he will not take any action. So I wrote an application and got it forwarded from Prof. (Dr.) S.K Jhajharia on 29/8/16 again. After the signature of Dr. Ajay Kumar I handed the application to my HoD.

On 2nd September 2016 I was informed by my HoD that I am not entitled to register for the 7th semester courses. Then I came to know that the HoD has asked all the

20/5/16

Page 1 of Page 2

faculty members through a mail to not allow any student who has not registered to attend any classes. However after one week my class coordinator Mr. Manish Thukral asked me to attend the classes.

Sir, I request you to allow me to register for my courses in the 7th semester after considering my grade status as that in MIT (marksheet given) for DSDCA. I assure you sir that I will be regular in my classes. Sir, I feel extremely sorry for the mistake that I committed and the inconvenience caused to you. I will be responsible if attendances fall short in any course/courses. You are requested to allow my registration for the current semester at the earliest. } B

Subject: Appeal for misbehaviour during Exam of RTS

Respected Ma'am,

I am a student of CSE (8th Semester) in your university.

It is submitted that on 16th Dec '2016 during the conduct of 'RTS' (Real Time System) Exam there was a misconduct from me which I highly regret and request you earnestly to consider my final exam paper in which I secured 41 marks

I want to submit for your kind info that till date I have never received any warning/complaint against me in college & I have been sincere student which can be seen from my record of my attendance and also I have secured 7.62 CGPA till 6th Semester.

I have got call for SSB Army (on 29th Mar 2017) i.e. date of interview, which requires no backlogs till date otherwise I will be debarred to selection process and which will affect my career.

In view of the above I once again sincere apologies for my behaviour and request you to reconsider my case, I will be highly obliged

Thank you

Approval of Summer School

The attached applications are submitted by IV Semester (2nd year) Chemical Engineering students to register for summer school for offered courses of Chemical Process Calculations (Course code: CE 1301) and Chemical Engineering Thermodynamics (Course code: CE 1402). The reason for floating these courses in Summer Semester is that they are pre-requisites for Chemical Engineering courses in upcoming Semester. The concept of pre-requisite is being introduced first time in here, and because of this, it is decided by the department that this is in interest of current batch students to offer Summer School. Furthermore, CE 1301 is being floated as some of these students failed in this unit in III Semester. And CE 1402 is being floated as the students were not able to take up this course in IV Semester as this is the pre-requisite of Engineering Thermodynamics (CE 1303) in which they failed in III Semester. They wish to enrol and request to waive off their re-registration fees for CE 1402 course as they already paid the fees for this academic year (2015-16).

As per our existing regulations Summer Sem. ^{30/4/16} is only for 1st year courses.

Pin no of B.Tech (Chemical) students (149103268, 149103214, 149103290, 1491033300, 149103292, 149103096) had requested to float their third & Fourth Sem. Courses.

Upcoming Summer Sem 2016. (CE 1402, CE 1301) as these students had not registered in CE 1402 in this sem. due to they had not pass in their pre-requisite course. So their fees may be waive-off because they already had deposited the fees of this particular course.

But the fees of CE 1301 is to be charged as per our existing regulation (i.e. Rs 7200 =) because these students attended ~~course~~ in course in (August - Dec 2015) session.

Sub: Arrangement of a Writer for an injured student

Dear Madam

Mr. Ratan Choudhary Reg. No. 150901174 is a student of BBA Sem III C. He had broken his right arm hence he was unable to write with his right hand. In the sessional exam which we had on 25 and 26 November 2016 he was provided with a writer to write in the examinations on his behalf.

He again approached me with a request to provide a writer to him for the end-semester examinations. After examining the physical condition and medical papers of the examinee and after getting the copy of the 10+2 exam mark sheet and ID of the writer I permitted the examinee to use a writer.

Since we are having shortage of invigilators, I asked our departmental examination coordinator to make him sit in a room where the number of students is quite less and the students don't get disturbed. The arrangement was working very smoothly, however, Prof. Dubey raised an objection over the arrangement during the flying visit to the room yesterday.

I now request you to grant a formal permission to allow the student to use a writer during the rest of the examinations. I assure you that we will make a separate arrangement for the student for the purpose.

Truly yours *Recommended & forwarded for necessary action*

सीजीपीए, अध्ययन की योजना के अनुसार, अतिरिक्त छठे विषय को छोड़कर सभी विषयों में अर्जित ग्रेड बिंदुओं का औसत है।
ग्रेड बिंदु की निर्देशात्मक समानता तथा अंकों की प्रतिशतता की गणना निम्नानुसार की जा सकती है :

- विषयवार अंकों की निर्देशात्मक प्रतिशतता = $9.5 \times$ विषय का सीजीपी
- अंकों की समग्र निर्देशात्मक प्रतिशतता = $9.5 \times$ सीजीपीए

As per Scheme of Studies CGPA is the average of Grade Points obtained in all the subjects excluding additional 6th subject.
An indicative equivalence of Grade Point and Percentage of Marks can be calculated as follows :

- Subject wise indicative percentage of marks = $9.5 \times$ GP of the subject
- Overall indicative percentage of marks = $9.5 \times$ CGPA

संचित ग्रेड बिंदु का औसत (सीजीपीए) Cumulative Grade Point Average (CGPA) :
