SUBJECT:- Operation Management Marks to be Revised.  
Respected Sir

I would like to draw your attention that I appear  
in Make Up Exam of operation Management (BB1401). Accord  
to 2016 relative grades the passing marks are 25 and as  
per the relative grades I am pass.

Kindly revise my marks as per relative Grades. All  
the subjects are clear & because of this one subject my  
whole year will get disturb, As my full 3-year program  
is completed.

Your kind permission is requested as mentioned  
above.

Thanking You

Yours Truly

Reg. No.:- 140901091.

Note Sheet

Mr. Shubham Chauhan (Reg No. 140901091) appeared for the Make Up exam in Operations Management BBI401 held in July 2017. He scored 35 marks out of 100. He was declared Fail, whereas according to relative grading of the same course in end-term exam he should have been declared Pass. It is therefore requested to modify his result.

- The operation management course was discontinued after May 2016, the same course has again offered by the department in Jan 2017, upon the request of students. The department had recommended absolute pass for the course as per grading policy (Annexure-1), result was declared with 35 marks as passing in July 2017 Make up Examination. Student has score 35 out of 100 in the exam.
- Any change in the result after its declaration is subject of getting approval from the Vice-Chancellor / President. *[Signature]*

Shubham Chawla's course of operations management had been discontinued in 2016-17 but three old students (F/DT) had appeared for the exam in May 2017 to clear this course. As per policy the departmental grade moderation committee adopted the same grade boundary which was in their regular exam of May 2016. Accordingly the minimum pass marks were retained as 25.

Since there is no student between 38 and 25 marks so no correction was made in the grade sheet sent by AMS/COE. It is evident from the other papers where students are falling below 35 with correction, he/she was declared pass according to previous grade boundary. Therefore, as per law of equity in the case of Mr Shubham Chawla, he should be declared pass taking 25 as minimum passing mark. Kindly make correction in AMS accordingly.

Course Instruk & HOD

The comments of Departmental grade moderation Committee clearly mentioned that the passing marks for May 2017 exam. i.e. make up exam were kept same as it was for regular exam of the batch in May 2017, due to no students were fail between 38 & 25 therefore, no correction was required in gradesheet issued by examination Deptt., ~~the and they~~ & due to that the exam. Deptt. put 35 as minimum passing marks in ~~July 2017~~ May 2017 for 3 three students ~~re-appeared~~ as that was taken for July 2017 make up exam. Therefore it is recommended that please correct the grade boundary for July May 2017 exam and accordingly re-declare the result of candidate Shubam Chawla so law of equity can be maintained.

- As per existing policy and processes of examinations, the grade boundary of Operation Management course in July 2017 Make up Examination was same as is the immediately preceding end term examination i.e. May 2017.
- To consider this case with positive recommendations, amendments in existing examination process should be done and it is very important to review similar such case

→ Grade boundary for Operational Management Course is May 2017 was not received <sup>by department</sup> in such situation, as per existing examination rules 35 cut off was followed as passing.

The student should be equated with other students of the same batch, since he has given only make-up examinations. Instructor of the course has verified the cut-off boundary to be at 25. Therefore, this student should be declared 'pass'. Recommended to be considered for pass.

Pro President As grade boundaries previous ETC is not defined, please give your comments. <sup>30/8/17</sup>

CE Last immediate grade boundaries of operational management course could not have been defined as the course was discontinued <sup>in 2016-17</sup>. As there were three students <sup>appeared</sup> in the course <sup>in 2016-17</sup> and <sup>one applied</sup> in May 2017 End Term Examination, grade boundary of May 2016 <sup>may</sup> be considered for summer 2017 examination in this course as a special case. I would like to convey the matter that I had a DT grade in THERMODYNAMICS (AU1303) and as a result of which I enrolled for ENGINEERING THERMODYNAMICS (ES1103) in the summer semester 2017. This is to correct the grade of one of our student "Harshit Sehgal", Reg No: 159106071. As per the cut-off boundaries (for grade distribution) decided by the department, he has got an "F" grade in the make-up exam of "Process Synthesis" course that he appeared recently in July 2017. However, due to the communication differences the cut-off boundaries were mistaken and his grade was shown as "F" in AMS. As the records of previous semester were kept in the lab and after showing the records to the then form committee, the records were handed over to MIS. Howe had awarded 7 out of 10 marks in the lab recce due to late submission (the student is contradicting it. Now, it is assumed that based on his overall acade performance in all the subjects there is a scope of increasing 3 marks in his continuous lab assessr component (internal) in which he had scored 59 out of 70. So based on the discussion with the new com-tee formed I recommend an increase of 3 marks in his overall internal assessment of DS Lab (CS1331). Now the total marks scored will become 91 out of 100 of Mr. Harsh Ajay Sareen Reg.no 169105084.

In present circumstances it is once again requested to settle the matter, rather than asking whether the student has informed the HoD before the date of examination. Probably COE is saying that person knows in advance that he is likely to fall ill during exam. The paper was on Dec. 2, 2017 and that was communicate through application on Dec. 12, 2017. 1. Mr. Sumeet Sachin Keni, Reg No. 149129350, Mechatronics 4<sup>th</sup> Year student, met an accident in his hometown on March 13, 2017. At that time he was enrolled in his 6<sup>th</sup> Semester courses (Jan-May 2017). He had to undergo major surgery and ultimately he couldn't complete his 6<sup>th</sup> Semester.
2. At present he has been studying in 7<sup>th</sup> Semester, July-Dec 2017, (earned credits: 125) and wished to register for 6<sup>th</sup> Semester courses in upcoming even semester Jan-May 2018 in lieu of his regular 8<sup>th</sup> Semester internship/project.
3. Soon after completing his 6<sup>th</sup> Semester in Jan-May 2018 session he will register for his 8<sup>th</sup> Semester internship/project. As the duration of 8<sup>th</sup> Semester internship/project is 16-20 weeks he may finish it and be eligible for the award of the degree before the next convocation. In this way he can save the loss of one academic year.
4. Submitted for your kind perusal and necessary direction please.

Note Sheet

Fahad malik (Reg No. 120901006) was registered in BBA in the academic session 2012-13. He has already passed all the courses of second and third year but in first year he had failed in the following courses which he would like to repeat in current semester:

- 1. Business Statistics BB1105
- 2. Quantitative Techniques BB1205

↓ 'A'

He was also detained in the following courses in first year:

- 3. Personality Development BB1103
- 4. Principles of Management BB1101

↑ 'B'

He has been offered a job on the condition that he will submit his grade card and degree to the company. Though both the courses in which he was detained belong to odd semester, however in view of the fact that the courses are no more existing now, he may be permitted to appear for the examination in current semester.

Subject: End semester Engineering Thermodynamics examination.

Respected Maam

This is regarding the Engineering Thermodynamics examination which was held on 16 May 2017 where in the flying squad came in the first 10 minutes and collected the handwritten photostated notes of the students. Due to this the students could not write their examination properly as they were not left with any notes and a trailing mail of Rahul Goyal sir (Engineering Thermodynamics course coordinator) which was forwarded by Thajharia sir to all the first year students wherein it was clearly stated that photostated handwritten notes are allowed along with 2 textbooks. The flying squad which collected the photostated notes included Thajharia sir who sent the mail to the first year students. We, the students of the concerned classes, have discussed the matter with Thajharia sir and the mechanical department but their is no response from their side. We would request the higher management to consider this application and recommend a solution for the same.

Also, we would like to bring in your notice that notes are the first material a student refers to in an open book examination and without the notes, the examination of all the students of these classes was affected. Hoping for a positive response from your side.

Regards

Btech first year students.

Subject: Application for granting extra time in the semester exams.

Respected Sir,

I am Vishvesh Pratap Singh, a first year student of your college. I am enrolled in the Bachelor of Business Administration program and my student ID is 170901161.

I am writing to inform you that my left hand is handicapped by birth which becomes a hurdle for me in my exams where we have a time limit. I am not able to get a perfect grip which makes my paper slip many times and also while drawing accounts in accounting subjects, adjusting the scale is really difficult for me.

I have a medical certificate from the Chief Medical Officer, Lucknow certifying that I have 55% disability in my left arm. This certificate enabled me to get half an hour extra time in my class 10<sup>th</sup> and 12<sup>th</sup> board exams.

I would be really grateful to you, if you could grant me the same in the upcoming semester exams as well.

Thanking you,

Yours Sincerely,

Note Sheet

Mr. Vishvesh Pratap Singh (Reg No. 170901161) is a student of BBA Sem I C. He has a permanent physical impairment of left hand by birth. He is not able to hold the paper with his left hand while writing anything on it. As a result his efficiency of writing has decreased. It is therefore strongly recommended that either he could be provided with a writer in the examination room or he may be given 15 % extra time to write his examinations. The case is being sent for your consideration.

I am unable to complete my internship during the designated period of January '18- May '18 as I have a backlog from 6<sup>th</sup> semester and together they cross the permitted credit limit for this semester.

I also acknowledge the fact that I will receive my degree in the year 2019. I have already received an offer letter from a company for the internship, a copy of which is attached along with this letter. I therefore request you to please grant me the permission for this internship during August '18– December '18.

Thanking you.
