

**Department of Physics
Manipal University Jaipur**

Notice

Academic Session: 2018-19

Following the recommendations of Directorate of Students welfare we at Department of Physics have decided to implement the Teacher Guardian's (TG) scheme for our B. Sc. and M. Sc. students. The roles and responsibilities of TGs are as follows.

Responsibilities:

1. It is mandatory that you have talked to any of the parent and ensured that the student is taking leave with their parent's consent.
2. Please discourage students who are taking leaves for a long duration, say more than 3 working days, by counselling them and their parents as they will miss classes and at the end, if detained, will hold you responsible for not guiding them.
3. Please discuss, whenever you think that the decision is difficult.
4. Please remember that we cannot deny any leave request when parents want their ward to take leave. HOWEVER, WE CAN COUNSEL THEM AND INFORM THEM ABOUT THE REPERCUSSIONS OF TAKING EXCESS LEAVES.
5. Attendance check of all the students is required if it is short has to be communicated to parents through mail and keep record of the same with you.
6. Update about the activities taking place in University and motivate them to take part in.
7. Please have meeting with students once/twice in a month to discuss any issue. In this meeting, Head may be invited.

Pushpendra Kumar
Head, Department of Physics
