TO WHOM IT MAY CONCERN

I am writing this reference letter at the request of Dr. Sumit Srivastava who is applying for the position of Professor in Manipal University Jaipur

I have known Dr. Sumit for last 9 years in my capacity as a colleague at Poornima College of Engineering (PCE). He joined PCE in year 2004 and completed the 8.5 years tenure with us in capacity of Senior Lecturer, Assistant Professor & Associate Professor in department of Information Technology. He is also the chair for the IEEE student branch at our institution. Under his able guidance various activities of IEEE Computer Society were held at PCE. He was the co-convenor with me for the first IEEE conference organized in PCE in the year 2011. He was actively involved and very focused in his domain (database) as an output of which many M. Tech. & B. Tech. students completed their dissertation and major project work during his stay at PCE.

Dr. Sumit has a number of strengths to offer in as associate. He has taught more than a dozen UG (B. Tech.) courses of various domains and 3 PG (M. Tech.) course during his stay at PCE. He has been awarded the certificate of appreciation for his outstanding performance in various subject/course of important at B. Tech.

In conclusion, considering all these factors, I strongly recommend him for the position of professor at your university.

This is for kind reference & information of your good office.

With Best Regards
