Dear Dr. Jyoti Grover:

It is a pleasure to advise you that Jyoti Grover, a member of your organization, has been elevated to the grade of Senior Member of the IEEE this year.

Senior Member is the highest professional grade of the IEEE for which a member may apply. It requires extensive experience, and reflects professional accomplishment and maturity. Only 10% of our more than 400,000 members have achieved this level.

We are very pleased to have Jyoti Grover join the elite rank of IEEE Senior Members – both Jyoti Grover and you should be proud of the professional achievements that led to this recognition. We look forward to additional contributions and successful projects and discoveries made by or associated with our new Senior Member.

Sincerely,

James A. Jefferies  
IEEE President and CEO
