Association for the
Exchange of Students for
Technical Experience**

IAESTE liability policy

General Arrangements

1. Compliance with the host company/ institution directives.

The student will comply with the relevant rules and regulations of the receiving host company/institution while training at the host company/institution.

2. Responsibility for property loss and damage

The student will be responsible for loss of or damage to the property of his/her receiving company/institution caused by him/her (malicious intent).

3. Intellectual property rights and confidential information

As a general rule, the receiving company/institution is expected to maintain any intellectual property rights which may result from a particular programme involving the student.

4. Other subjects

The receiving company/institution is expected to agree directly with trainees in writing, on any subjects or specific arrangements other than those listed initially in their offer, if the company/institution considers it necessary.

Waiver of liability

IAESTE (the International Association with its executive bodies, the Members and Co-operating Institutions of the sending and receiving countries) assumes no responsibility or liability for any injury, damage, financial losses (for housing reservations....) additional delay or other irregularities suffered by the student, the acts or omissions on the part of IAESTE, in which case the respective involved party of IAESTE as listed will be solely responsible. IAESTE shall not be responsible or liable for consequences or natural calamities, labour strikes, Acts of God, war and other factors beyond IAESTE's reasonable control.

Insurance

In the light of IAESTE's limitation of liability and responsibility set forth above, the student is obliged to have the necessary arrangements for health and accident coverage for the duration of his/her training, including the time spent travelling and leisure activities. Further coverage must be taken out by the student in relation to his/her property loss and damage.
