Respected Sir

SUBJECT: STIPENED TO THE INTERNATIONAL IAESTE INTERNS

IAESTE is a one to one foreign exchange program established in MUJ upon the popularity of the program in Manipal University. It enables our students to pursue their internship at an international destination, and also allows our university to host highly skilled foreign students as interns.

The foreign students are expected to arrive at our University for their internship from the first week of June.

The Offer generated from our university would provide the interns with a stipend of INR 5000/- (per month).

Since this amount has to be provided in the form of cash for each intern, we request you to grant these students the permission to collect their stipend from the finance department on monthly basis.

The specific amount will be debited from the IAESTE MUJ account.

The same details have been discussed with the finance department and they have agreed to meet the needs upon your approval.

Thanking You
