Dear Dr G.K. and Dr. Amit,

Please find attached the list of students names, courses and universities.

It would be great to have a session on Indian politics? The elections? Economic policy and direction of the country?

I'm sure the students would be interested and your students and ours can join in a discussion about "challenges and opportunities for India and the role of Government"?

Look forward to seeing you next Monday 10th December afternoon. We should reach at 230pm.

All the best,
Nick

Dear Dr G.K. and Dr. Amit,

Thank you very much. This is great to hear we are looking forward to the visit.

Further co-ordination can be done without the full group CC'd. We are very grateful to everyone's support and continued collaboration with MUJ.

All the best,
Nick

Subject: Australian Student visit to MUJ - Mon 10th Dec

Dear Team Manipal,

I do hope you are all well. We are so grateful for the participation of Manipal in our programs.

I'm delighted to say the Reimagining India program we run for the Australian Government has been expanded and will now run into 2020.

Australia's most highly ranked university, ANU, has joined our consortium which is testament to the success of the initiative.

Our next group coming to Jaipur can visit Manipal University on Monday 10th December. We would love to be able to confirm this with you and plan an afternoon.

Abhimanyu, Archana, and colleagues have been very helpful with previous visits.

Thank you for all your support.

All the best,
Nick

Dear Abhimanyu,

I am sorry to hear that, but of course understand, and appreciate your support with our prior trip.

We have 25 more students coming to Jaipur in April and 80 in November! It would be great to introduce them to Manipal and provide opportunities for your students and ours to interact.

Look forward to deepening our collaboration with MUJ.

All the best,
Nick

Dear Nick,

It was good to receive your mail regarding your visit to our campus along with 45 Australian students on Feb 8, 2018 . If you will recall , during our last telephonic discussions , on the impending visit I had conveyed that I shall let you know the suitability of the date. Since other engagements were lined up , which have firmed up now, we regret that we shall not be in a position to take care of the group amicably as we did during your last visit along with group of 40 students .

We would suggest a suitable date after 15th be fixed for the visit.

Inconvenience caused is highly regretted.

Look forward to hear from you.

Regards,
ABHIMANYU MAINI

Subject: Re: Greetings from Gomantak!

Dear Abhimanyu,

We are delighted to be returning to Jaipur next week and look forward to visiting Manipal on Thursday 8th February. We are at Infosys in the morning so should reach you by 2pm.

It would be fantastic if Mr Abhay Jain was around as I would love to meet him.

Thank you also to Vice Chancellor, and Chairman Pai for their support with our visits to MUJ.

The group is similar to last time - 45 young Australians selected by us and the Australian Government as "Reimagining India" scholars. Half the group have a strong interest in startups and technology - however broader engagement with Manipal students is very welcome.

All the best,
Nick

On 09-Nov-2017, at 12:31 AM, Registrar [MU - Jaipur] <registrar@jaipur.manipal.edu> wrote:

Dear Sir

This has reference to the telephonic discussions of our Chief Public Officer with Mr Nicholas Booker. The following transpired about their proposed visit to our Campus :-

(a) Mr Booker confirmed that they shall be visiting our Campus on November 16, 2017 along with 40 students of Australian origin from 11 different universities. They shall be visiting Infosys at Mahapura (Jaipur) in the morning at 11:30AM and accordingly shall reach our Campus at 12:30PM.

(b) They propose to have lunch in our Campus.

(c) Post lunch they would like to have interactive session on Innovations along with students from our University. The session shall be of one hour beginning at 2:30PM.

(d) Campus visit for the group up to 3:15PM.

(e) They propose to have a Cricket Match with our Cricket team after the Campus visit. The match can be of 10 overs each.

(f) They will depart back in their own vehicle post the match.

All concerned have been informed for hosting the above guests in various activities planned for the day.

Regards
