Dear Dr.Jain

Thank you for expressing an interest on an MoU with Le Cordon Bleu and I think we all appreciate our collective efforts towards academic mobilities.

I had a reply from Mr. Abhishek Sharma at Le Cordon Bleu about MoUs and I am attaching the reply below:

With regards to discussions for MoU, I will be the point of contact. In order to discuss MoU and other such partnerships, we require a formal expression of interest on the letter head of the university clearly outlining the strengths of the institute, the nature of the proposal – twinning programs, study tours, faculty exchange, etc. In case of twinning programs, we would also require the syllabus, transcripts, subject contents for course credit mapping.

Please do let me know in case of any further information or clarification.

Best Regards

Abhishek

I think in order to activate that you should send a formal request for the type of MoU you prefer to work on and share the details of your programme and subject contents and course credits prior to our visit on October 11 so we can organise the Mou beforehand and maybe finalise on that day.

Please let me know what you think, please note that Abhishek is in cc of this email and you can reply directly to all of us for further communication.

The session will be scheduled on Oct. 11 for BHM students at 10 AM. Taking in loop Dr. Amit Datta, HOD of Hotel Management for further coordination. I remember meeting Mr. Abhishek in a conference, not in touch currently. We would like to take up the MOU opportunity with LeCordon Bleu.

As discussed earlier, if we can have an MOU for academic Collaboration with them prior to the session it will be great.

There might be a slight change of dates from Le Cordon Bleu, do you think the same timings on October 10-11 would work for you? Sorry but they have some sudden project that has come up.

Once you confirm I will plan the details.

Dear Dr.Jain

As per my phone call with you yesterday, I shared the fact that Le Cordon Bleu will be in Jaipur on 3-4 October and would like to visit Manipal for a presentation on 3 October. I believe Abhishek Sharma, the country manager, India from Le Cordon Bleu, Paris is already in touch with you and it gives me great pleasure to facilitate his visit to MUJ this October. Once we have a confirmed date I can share a more detailed programme with you. Since we have over a month to plan I am sure it will be easier that before.

Thank you for your reply,

Sanjana

Dear Atika

Please find below some details of the delegates and a general purpose of their visit:-

1. Sanjana Sarkar, manager, Campus France, Rajasthan and Romain Camus, Institut Francais en Inde, Rajasthan.

Campus France is a French government platform to facilitate higher studies in France for foreign students. Campus France will take this opportunity to share with the students, *Why choose France?* Opportunities for both English and French taught programmes, visa provisions and life after studies in France.

Institut Français is the educational and cultural sector of the French Embassy in India. Romain's mission in Rajasthan is to promote the French culture and language as well as facilitating ties between Indian institutions and France. Romain will also speak briefly on the benefits of learning French in a domestic and international context, the DELF and DALF diploma and how to access these opportunities in Jaipur.

2. ESIGELEC, a graduate school of engineering from France. The session will be led by ESIGELEC, country manager, India, Ms. Vidya Suresh. With over 20 years of teaching experience at the Alliance Française de Bangalore and more

As spoken to Mr. Jain, we will keep the session by ESIGELEC largely general. She will conduct a session titled THE WRITTEN WORD - A workshop to help students write a compelling CV and Statement of Purpose.

2. Mme. Maud Le Bars - representative, India, Rennes Business School.

(Rennes already has a MoU with Manipal and her main session with students will be on 24, I think it has been arranged with Mr. Jain)
