Dear Pawan,

It was wonderful meeting you in Ajmer, exactly after an year.

This mail is further to our conversation regarding the Architecture Competition with colleges across Rajasthan. As discussed, a recruitment staff from Faculty of Art, Design and Architecture is visiting India in October. We are visiting your office in Jaipur on 3rd of Oct. I would like to know if we could organize a few colleges where we could promote the event on 4th of Oct. She is not an academic. Wondering if you would still require a profile of the staff. We plan to talk about the competition and also about the Master of Architecture and Master of Urban Planning & Design courses offered at Monash.

Kindly let me know if something could be organized.
