Subject: Re: Greetings from Rajveer of Manipal University Jaipur

Hello Prof. Shekhawat,

Thanks again for hosting my visit. Following the visit some attendees email me for my slides, which I sent. Glad to see the follow up interest in the topic. There has also been a query from a student interested in the Certificate program. Again, glad to see interest in this program.

I had sent Dr Jain the following email on March 13 together with the attachment to this email. Hopefully, he received this email To move forward with the MOU, I really need Manipal to fill in its portion of the MOU and return to me.

Hello Dr Jain,

It was nice to meet you last week. I attach the activities form that goes with the MOU.

Please fill out the MOU (you already have this) and the MU-Jaipur info in the activities form and return to me so we can start the approval process at this end.

Thanks.

Thanks.

Dear Prof. Sahni,

It was a pleasure to have you with us during your last visit to India. Our faculty and students benefitted immensely by the exposition on Cache Memories you delivered apart from other technical discussions with you. I hope your visit to MUJ had been a pleasant one. We look forward to a longer visit next time.

We are now eager to enhance our relationship and keenly awaiting your guidance so as to enter a bilateral agreement for cooperation. For this purpose, the draft document (simplified version) sent by you to Dr. Amit Jain is acceptable to us. You may advise us the next steps.

With best regards.
