Invitation letter

Dear Assistant Professors Ms. ANUBHA PARASHAR

Thank you for your interest shown in activities of the Department of Electronics, Microelectronics, Computer and Intelligent Systems (ZEMRIS), as well as Laboratory for Pattern Recognition and Biometric Security Systems at FER.

It is my pleasure to invite you to visit Laboratory for Pattern Recognition and Biometric Security Systems at the ZEMRIS, FER. I believe that your visit will establish a linkage between our two institutions (FER and School of Computing and Information Technology Manipal University) and open possibilities for closer cooperation among the researchers from both institutions.

With my warmest regards,

Sincerely,

Professor Slobodan Ribarić
