**Subject: Visit to Queensland University of Technology (June to July 2019)**

Dear Associate Professor Abhishek Sharma,

Queensland University of Technology would like to invite you to our Gardens Point Campus for 4 weeks during the June-July period of 2019 to explore joint academic and research possibilities. Included in your visit will be the below activities.

- Visit the Centre for Tropical Crops and Commodities and discuss the ongoing research at both sides.
- Explore collaborative research and joint funding opportunities in the area of solid waste to fuel and chemicals.
- Work on potential academic exchange programs between both the universities.

We look forward to welcoming you to QUT to discuss these important research opportunities.

Yours sincerely,
