Dear Prof. Anil Dutt Vyas,

It is my pleasure to inform you that your request for transfer of the Delft-based programs and courses in Sanitation as part of the project "Transfer of the new MSc Program in Sanitation to South Asia and Sub-Saharan Africa - Global Sanitation Graduate School (GSGS)" funded by the Bill & Melinda Gates Foundation has been approved.

The contract for your sub-grant which is based on your proposal and subsequent communication, will be sent to you shortly, including the name of the person who will be your focal point at IHE Delft for your sub-grant. By signing the contract you will gain the status of sub-grantee in the project. Your institution is also considered responsible for the partners in the consortium you lead, including communication, administration, deliverables, outputs, reporting and distribution of budget.

IHE Delft and the Global Sanitation Graduate School welcome you and your partners to this exciting capacity development program and we are looking forward to work together on the achievement of our ambitious sanitation goals and SDGs.

Yours sincerely,

Prof. Dr. Damir Brdjanovic
Professor of Sanitary Engineering
Director Global Sanitation Graduate School
