Montigny-le-Bretonneux, September 26th 2017

ACCEPTANCE LETTER

Dear **Rajeev**,

Thank you for your application with ESTACA.

We are pleased to confirm your place in the English-taught program in **Aeronautics and Automotive Design Program (AADP)**, which will be held on our Saint-Quentin-en-Yvelines Campus (near Paris) in the Spring Term of 2017-2018 to:

Name: **Rajeev TULSYANI**
Date of Birth: **24/09/1997**
Nationality: **INDIA**
University: **Manipal University - Jaipur**

As you have all the requirements for this program, including the minimum in English language (IELTS 6.0).

Courses will start on **January 22nd 2018 (Orientation)** and will finish on **May 25th 2018**. We highly recommend that you arrive in Paris a few days before that date in order to attend our orientation session for exchange students.

If you wish to accept this offer, please return this letter with your approval and signature to our International Office by email.

Although many dormitories can be found in the immediate surroundings of our campus, ESTACA does not have its own hall of residence for exchange students. It is the student's responsibility to find accommodation. However, assistance will be provided through the websites and 'tips' contained in our **Student's Guide** and thanks to our 'buddy' program which will put you in contact with one of our students once we receive your confirmation.

Students from the European Union will have to provide their European Health Insurance Card (EHIC) valid until June 2017 to the International Department. Students without this EHIC will need to register to the French Health Insurance at their arrival (217€ / year 2017-2018).

Please note that non-European students need to apply to French study visa in order to come to study in France even if they have a residence permit for a European country.

Looking forward to welcoming you at ESTACA,

Best regards,

ESTACA
