

Greetings,

SUB: LETTER OF INTENT TO HIRE

We are delighted to communicate our intent to make an offer for the full time position of “Junior Software Engineer” to the following students :

1. Adnan Husain
2. Sarthak Ghosh
3. Shahenjit Singh

Greetings,

Your offer of employment is conditioned upon your successful completion of your engineering, your execution of certain assignments given throughout the year, your submitting the relevant documents, and other internal approvals.

Should you meet the above conditions, your annual package would be of 3.6 Lacs per annum after you have cleared the training period. The first 6 months would be the training/probation period where they would get 20,000 INR per month as a stipend.

Your duties would include web/mobile development, documentation, testing and you will be working on Grails, Groovy, Java, HTML5, CSS3, SASS, JavaScript, ReactJS, Git and other technologies.

It is highly recommended that all through this year you maintain your aggregate and work closely with us to improve your understanding of Data Structures, Algorithms, Object Oriented Concepts, Grails and Javascript. Upon your acceptance you will be given an assessment project with 3 modules which you will have to finish to be eligible to get a joining date.

If and when you join us, in your first week at the company there will be a test to assess the initiative you took. This test will also be used as a benchmark to form teams and each teams structure.

We would like to know your decision as soon as possible but no later than 26th September 2016. This is a letter of intent only. It is not intended to be, and shall not constitute in any way a binding or legal agreement, or impose any legal obligation or duty on either you or the Company
