

**Memorandum of Understanding
between
Manipal University Jaipur
and
Instituto Superior de Engenharia do Porto**

Manipal University Jaipur, Post: Dehmi Kalan, Jaipur-Ajmer Expressway, Jaipur - 303007, India (www.jaipur.manipal.edu) and Instituto Superior de Engenharia do Porto, Rua Dr. Antonio Bernardino de Almedia, 431 4249-015 Porto, Portugal (www.isep.ipp.pt) agree to establish a relationship of general academic cooperation. The purpose of this relationship is to enhance the capacity of both institutions to fulfill their academic missions and objectives through international education and international engagement. The two institutions may undertake, subject to the regulatory framework and availability of resources of both, initiatives in the following areas:

- Faculty exchanges for short periods of up to three months, for the purposes of delivering lectures, engaging in research, and participating in ongoing joint projects in various subject areas
- Mutual participation of faculty in conferences, congresses, and symposia sponsored by each institution
- Sharing of research and published materials in disciplines and areas of interest to both institutions
- Joint projects in research and curriculum development
- Assistance with institutional and official networking in the country of each institution and in appropriate international frameworks and organizations
- Student exchanges for varying lengths of time
- General academic cooperation

Addenda to this document identify specific projects and activities that will be undertaken within this general agreement. Addenda may be developed at any time during the life of the Agreement.

This MOU is not considered to be a contract creating legal or financial relationships between the parties. Rather, it is designed to facilitate development and maintenance of a mutually beneficial academic relationship.

This MOU will take effect immediately upon signing by both parties. It will be reviewed every five years to evaluate the progress and the quality of mutual cooperation. It may be terminated by either party upon receipt of official written notification, which must be received by the other party three months in advance of the termination date. Any participating students or researchers who have commenced at either university during this period may complete their courses or research. Any modification in this MOU must be in writing and approved by both parties.
