AND

THE INTERNATIONAL CENTRE OF EXCELLENCE IN WATER RESOURCES MANAGEMENT, (herein after referred to as "**ICE WaRM...**", which expressions shall mean and include, unless repugnant to the context or meaning thereof its successors and permitted assigns) founded in Adelaide, South Australia, has authorised **Mr Darryl Day, Managing Director, ICE WaRM** to enter into this **MoU** as the **SECOND PARTY**;

ICE WaRM is an international centre of excellence based in South Australia, providing capacity development in sustainable water management, to the global water sector. The centre facilitates access to Australian expertise in water management, training, education, research and consulting. As a result, water leaders are informed, inspired and empowered to influence change for the sustainable management of water resources and improve livelihoods, and the health of communities and the environment. The people we strive to benefit are current and emerging water leaders, water professionals, governments, civil society and communities, who are dependent on the water for sustaining livelihoods, human well-being and socio-economic development. That is very well reflected in various forms such as national and international scientific projects, conferences, workshops and seminars as well as informal research groups. The main activities of ICE Warm are: Water management, training, education, research and consulting.

"**MUJ**" and "**ICE WaRM**" are hereinafter, wherever the context so admits, collectively referred to as the "**Parties**" and individually as a "**Party**".

AND WHEREAS the purpose of MoU is to establish an understanding of mutual cooperation between **MUJ** and **ICE WaRM**, providing a common platform for deriving mutual advantages in their pursuit of scientific research in general and benefiting their respective researchers, PhD students and research projects, by way of exposure to each other's programs, in particular.
