OVERVIEW

The International Conference on Advances in Mechanical Engineering and Nanotechnology (ICAMEN 2019) will be held at Manipal University Jaipur during March 08-09, 2019. This conference will provide a splendid opportunity for academicians, researchers industrial pupil and young scientists to address new challenges and discuss future research directions. Contributions are expected from academia, industry, and research agencies. It is a highly selective, single-track meeting that will be soliciting submissions presenting significant, original, and previously unpublished research. ICAMEN 2019 aims to be one of the leading international conferences in the world, and it will provide an exciting environment for researchers to present and discuss the latest engineering technologies and its applications.

CALL FOR PAPERS

Papers are called in the following tracks, but not limited to:

1. Nanotechnology
2. Engineering Design/Mechanics
3. Thermal Engineering/Energy
4. Material Science and Engineering
5. Manufacturing and Technology
6. Industrial Engineering and Production

ABOUT MUJ

Manipal University Jaipur (MUJ) is the youngest member of the Manipal Education Group, and was established in 2011, inheriting the culture of excellence in higher education spanning over 60 years. The permanent campus of MUJ is set up on 122 acres of land, in the outskirts of Jaipur and is by far one of the best campuses in the region. It has been bestowed with the 'National Education Excellence ASSOCHAM Award 2015' and five-star rating by 'Green Rating for Integrated Habitat Assessment' (GRIHA). Manipal University Jaipur, established on an invitation from the Government of Rajasthan, is all set to redefine academic excellence in the region. MUJ has world class infrastructure, incorporating advanced research facilities and modern library.

ABOUT UMP

UMP was established as a public technical university by the Malaysian government on 16 February 2002. Incorporated under the Universities and University Colleges Act 1971 by the Royal Decree of His Majesty the Yang DiPertuan Agong, Kolej Universiti Kejuruteraan & Teknologi Malaysia (KUKTEM) was set up as a technical university, specialising in engineering and technology. On 8 October 2006, the Malaysian government agreed to rename KUKTEM to Universiti Malaysia Pahang.

ICAMEN2019 Summary Report

Manipal University Jaipur: A two day International Conference on Advances in Mechanical Engineering and Nanotechnology - ICAMEN2019 (March 08-09, 2019) was organized at Manipal University Jaipur. The conference was a joint venture of Department of Mechanical Engineering (MUJ) and Faculty of Mechanical Engineering, Universiti Malaysia Pahang, Malaysia. The focal theme of the conference was the ongoing advances in the field of Mechanical Engineering and Nanotechnology. Delivering the welcome address, convener of the conference, Professor Rahul Goyal states the relevance and implications of nanotechnology on biofuel and development of other allied fields. Prof. G. L. Sharma, who chaired the conference, explained the importance of academic conferences and the necessity of co-operation between different universities for the further development of technology. Prof. Jagannath Korody (Dean, Faculty of Engineering at MUJ) zero in on the importance of practical, experiment-based education, and relevance of industry-academia connect for betterment in engineering education. Vice Chancellor (Universiti Malaysia Pahang) Professor Dato' Sri Dr. Daing Mohammed Nasir Daing Ibrahim, vice Chancellor of UMP, Malaysia was the Chief Guest and shared the benefits of collaboration in making the technical universities stronger. Prof. Rizalman Mamat was the Guest of Honour and also presented a plenary address on Renewable Energy resources. Mr Akhilesh Prasad, Ex GM of SAIL was another Guest of Honour and shared his experience and promoted industry-academia connect. Dr. Santosh Patil, who was the organizing secretary of the conference, delivered the formal vote of thanks. The faculty members of Department of Mechanical Engineering (MUJ) played a pivotal role for making this conference successful.

ICAMEN 2019 had received 192 abstracts and 130 abstracts were accepted for full paper submission and finally 116 papers were presented. After concluding the conference 9 papers have been published in Springer Nature Applied Science, 12 papers in International Journal of Automotive and Mechanical Engineering Journal of Mechanical Engineering and Sciences (in review) and 60 papers have been selected to publish in AIP Conference Proceeding, volume 2148. <https://aip.scitation.org/toc/apc/2148/1>
