Subject: RE: Seeding of KYC-reg.

Dear Sir,

I would like to bring the following points for your reference and perusal

The show cause notice was received by us from the PF Department for UAN activation & mandatory seeding of Know Your Customer (KYC) details online on UAN Portal

The process of registration in EPFO follow the new guidelines as detailed below:

- As an employer, we have to register the employee with their existing UAN (if any) or with their AADHAR (if new entrant in EPFO).
- If there is any discrepancy for old registered employee, for which we have to update the AADHAR and PAN, if any mismatch found, the system will not take the KYC updation.
- If there is any discrepancy between AADHAR and PAN (mismatch in Name / Date of Birth / Gender / Father's Name). EPFO system will not take the PAN as KYC.
