1. Introduction of the Event

"Being green and clean is just not an aspiration but an action."

The Rotaract club of MUJ brings you two plantation drives as a step to inspire young minds of this generation and a step towards a better world.

2. Objectives of the Event

- To make the world a greener and cleaner place.
- To encourage participants to work in teams to achieve a common goal.
- Awareness about the excessive deforestation and its problems.

3. Beneficiaries of the Event

MUJ Students

4. Details of the Guests

Rotary Club Jaipur Bapu Nagar

Rotary started with the vision of one man — Paul Harris. The Chicago attorney formed the Rotary Club of Chicago on 23 February 1905, so professionals with diverse backgrounds could exchange ideas and form meaningful, lifelong friendships.

Over time, Rotary's reach and vision gradually extended to humanitarian service. Members have a long track record of addressing challenges in their communities and around the world.

Rotary is a global network of 1.4 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. They provide service to others, promote integrity, and advance world understanding, goodwill, and peace through our fellowship of business, professional, and community leaders. We collaborate with community leaders who want to get to work on projects that have a real, lasting impact on people's lives. We connect passionate people with diverse perspectives to exchange ideas, forge lifelong friendships, and, above all, take action to change the world.

5. Brief Description of the Event

Plantation Drive 2022 - Rotaract Club, MUJ organized an event wherein students were filled with enthusiasm and aspirations to inspire and help the environment. The students took a bus to the venues and formed groups to plant saplings of different types. This event helped the students to emotionally connect with our environment as one and have a sense of belonging and views for the betterment of our country.

All the students from each group participated enthusiastically, expressing their desire to plant and water the saplings. The faculty of the respective schools took part in the plantation with the same aspirations to teach the young minds studying in their school. It was a successful event with the conclusion being the goal achieved of planting 60 saplings in total leading to a better future and a new hope.
