Dear Sir,

As discussed, the seminar may be conducted in between 9th – 11th May 2022. The timing may be any, preferably pre-lunch.

Since we are associating with the 'International year of Millet' the theme should be related with it. Request you to confirm, along with the title of the seminar, timing and speaker name.

Please feel free to communicate with me for further queries.

Subject: Query resolution and discussion for the upcoming plant-based culinary training and workshop.

Hello! Greetings of the day.

HOD, SHTM

As per our conversation and query resolution discussion, I have addressed the following with my team and we have come to the conclusion as follows-

1. Day and Date

The day and date of the session **can be scheduled as per your and our convenience**. I have discussed the time frame of 17-21 April with the team. We have also asked the Plant-based chef Varun for the availability and compliance of the time frame, he has said that since he is working on several new projects he will look at his schedule of projects and prior commitment firstly and then update us regarding his availability. I hope a slight change of dates will not make a difference and give us good enough time help us to make this session a more effective and innovative for the students. **Meanwhile we can also include the universities with you have a tie up. This will enhance and make the session to cover wider group of students.**

2. Time frame

As per your kind suggestions and retention criteria dimensions, I have put forward the idea of shortening the time frame with my team. The only thing is that we during the sessions cover different sections of plant-based industry dynamics such as plant-based market **animal agriculture, sustainability, food industry gap analysis, opportunities for the nuances, scope for hospitality and management businesses, upcoming trends, statistical evidences, growth of industry, practical culinary training, plant-based culinary operations in kitchen, etc.** So I don not believe we can be able to wind up these in one day. **At least two days of 2-2.5 hrs duration is necessary for the session to be student informative, interactive, involving and awareness propagative.** Also, at the end of the first day we will be sending students a questionnaire cum assignment so that the chef can have a clear picture regarding the understanding of plant-based skill set and understanding among the students.

3. Millets year incorporation to the session

Incorporating millets as an ingredient during the culinary training practical depiction session and assimilating it in the entire session will be not an issue, its just **we require proper time frame and preparation to execute this as successfully and educational as possible for the betterment of the audience in interaction.**

I hope I have covered the major sections of query clarification, please feel free to contact me for any further feedback or ambiguity. Your queries and feedback will help me personally and HSI/India to make this session one of a kind full of enlightenment, skilful and polished. **Looking forward to have this collaborative culinary training cum workshop session.**

Thanks in anticipation

Subject: Hotel Visit on 2nd May 2022 (post lunch)

Greetings!
Dear Madam,

An educational trip to Goa is organized for the 20 BHM students of Manipal University Jaipur, next month.
As per the Itinerary on 2nd May 2022, (2-4 pm) a hotel visit is been scheduled.

WORLD TOURISM DAY- 27th September

Since 1980, the **United Nations World Tourism Organisation** has celebrated **World Tourism Day** as international observance on September 27. Every year the theme of this day changes and this year the theme was '*Tourism and Jobs: A better place for all*', host country being India.

This year, **School of Hotel Management, MUJ and Epicurean club** organised an event for awareness towards World Tourism Day among students and faculties of Manipal University Jaipur at 1AB lobby which included poster presentation and fun activities. A beautiful Rangoli was also made by the students depicting world tourism day focusing India.

2nd year students studying regional cuisine this year did poster presentation on the same which included cuisines of **Kerala, Rajasthan, Kashmir, Punjab, Hyderabad, Maharashtra** and **Bengal**. **Pani puri competition, soup shots competition** etc were some of the fun activities. All the dignitaries of the university also participated in the event.

This event was a great exposure to the students as the whole event was organised and lead by the students under the supervision of the SHM faculty. Students not only realised their leadership qualities but also gained confidence on public speaking through poster presentation.
