Dear Madam/Sir,

Ministry of Human Resource Development (MHRD), Government of India has launched a programme 'UNNAT BHARAT ABHIYAN' aiming to connect the higher educational institutions to the villages around, for transfer of knowledge to enrich rural India.

The primary objectives of Unnat Bharat Abhiyan are to engage the faculty and students of Higher Educational Institutions in understanding rural realities; identify and select existing innovative technologies, customise and implement as per local needs; to allow the institutions to contribute to devise systems for smooth implementation of various government schemes.

Both Central and State Higher Educational Institutions (Technical & Non-technical) will be selected through **CHALLENGE METHOD**, based on certain parameters. The selected Institutions will work closely with State Government/ District Administration/ Panchayati Raj Institutions/Other Institutions/ NGOs to provide customized technological solutions, undertake field studies, study the implementation of government schemes and facilitate their implementation according to the local needs. The selected institutions are expected to meet some expenses from their own resources as MHRD would be funding them partially.

OM dated 20.02.2018 and advertisement for Unnat Bharat Abhiyan are attached for your ready reference. For further details, you may access www.unnat.iitd.ac.in.

With reference to Unnat Bharat Abhiyan, we at Manipal University Jaipur (awarded All India 2nd rank in Swachhta Ranking of HEIs) are interested to apply for the said scheme. While attempting to log in to join UBA, it requires AISHE username & password. With Manipal University Jaipur's AISHE username & password, the portal fails to log in stating invalid username though the same AISHE credentials are used for successfully uploading University information on AISHE portal.

Kindly resolve this query & guide us further how to apply for UBA,
Expecting a prompt response,
Thanking in anticipation,

Regards,

1. Objective

In furtherance of the objectives of the Swachh Bharat Abhiyan launched on 2nd October 2014, Government has launched the Swachh Bharat Summer Internships-2018 aiming at enrolling the students for promoting swachhata in the villages. This internship is being jointly launched by the Ministry of Human Resource Development in association with the Ministry of Drinking Water and Sanitation and is named 'Swachh Bharat Summer Internship – 100 Hours of Swachhata'. The objective is to engage youth across the country, develop their skill and orientation for sanitation related work and make Swachh Bharat Mission a *jan andolan*.

Ministry Human Resource Development

Department of Higher Education

Shastri Bhawan

New Delhi the 6th February, 2018

To

1. Chairman, University Grants Commission, (UGC), New Delhi
2. Chairman, All India Council of technical Education (AICTE)

Subject: Development of Course/Curricular Engagement of Students with Rural Communities & Processes for greater relevance of education- reg:

Sir,

The context of this communication is to highlight the importance of rural engagement to figure as an integral part of the curriculum of University/College/Deemed University/Technical Institutions. While several institutions have specialised Departments for rural technology, management study etc., it is essential that it becomes a universal feature of the higher education system, in order to impart the muchneeded relevance & practical insight to problems faced by the bulk of the Indian population residing in rural areas.

2. The primary objective of the Unnat Bharat Abhiyan programme being implemented by this Department is to ensure that students of HEIs obtain a structured rural exposure by incorporating the same as part of the academic content. The National Council of Rural Institutes (NCRI), Hyderabad, under the Department of Higher Education is, by mandate, involved the task of promoting core course & add-on curricular interventions for inculcating social responsibility through student engagement with rural communities, especially the villages in proximity of Universities/colleges etc., where the NSS units of the institutions are in interaction with. Promotion of such social responsibility is essential, as observed by the Hon'ble Prime Minister, in his address at IIT Gandhinagar, so that the students obtain real life exposure and their academic pursuits could get channelized into socially relevant areas. The NCRI has so far been instrumental in guiding and securing the objective of incorporating rural engagement into the curriculum of numerous HEIs nation wide, by working the concerned HEIs and nurturing the process.

3. It is the decision of the Ministry to ensure the incorporation of rural process content formally into the higher educational system. Hence UGC and AICTE are requested to carry out the following:

(i) issue necessary instructions to all HEIs under their control to formulate course content on rural engagement & processes

(ii) advise them to immediately seek the assistance of NCRI, Hyderabad (Dr.W.G. Prasanna Kumar, Chairman) for guidance in structuring the course, rationalisation of existing Budget and process assistance in securing the needed tie-up with district authorities for smooth functioning of the arrangement.

(iii) fix up a suitable date for one day Workshop on Rural Engagement of HEIs and invite HEIs under their control to be present for understanding issues better. MHRD representatives (Hon'ble Minister for HRD as per convenience of date) would be present in addition to NCRI and UGC/AICTE.

4. This activity would be monitored periodically by the department and hence action in respect of the above may please be initiated immediately. The progress in respect of (iii) above may be also intimated so that it is held within 3 weeks. Dr.Prasanna Kumar can be contacted at chairman@ncri.in and wqpkncri@gmail.com (Tel:040-23212120,23422105).

उत्कृष्ट कार्य हेतु प्रशंसा पत्र

आज दिनांक को 17-08-2022 हमारे स्कूल परिसर में मणिपाल विश्वविद्यालय के कंप्यूटर और संचार इंजीनियरिंग स्कूल के Panacea क्लब और NSS के छात्र-छात्राओं ने "स्कूली शिक्षा में डिजिटल संसाधनों का महत्व" पर एक कार्यक्रम आयोजित किया। इस कार्यक्रम में विश्वविद्यालय के छात्रों ने बताया कि कैसे कम्प्यूटर स्कूली शिक्षा और समाज के लिए उपयोगी है, और कार्यक्रम में कक्षा 9 वीं और 10 वीं के छात्र-छात्राओं के सामने कंप्यूटर और विज्ञान से संबंधित प्रैक्टिकल दिखाए गए। प्रैक्टिकल देखकर छात्र-छात्राओं को बहुत खुशी हुई। मैं विश्वविद्यालय के छात्र-छात्राओं द्वारा अयोजित कार्यक्रम के बेहतरीन आयोजन के लिए अभिनंदन करता हूँ। इस कार्यक्रम के दौरान विश्वविद्यालय से डॉ संदीप कुमार शर्मा, डॉ सुमन भाकर और जितेंद्र सिंह यादव उपलब्ध थे।
