1. Introduction of the Event

As Makar Sankranti is fast approaching, Coreografia intends to challenge its members with an online dance challenge where each student can perform and shoot a 15 second video of themselves dancing to a set of songs provided within a playlist on Spotify. It was an opportunity for all members to put on their dancing shoes and showcase their moves to friends and fellow club members.

2. Objective of the Event

- Celebrate the festival of Makar Sankranti together through dance despite the distance separating us due to the pandemic situation.
- Using different dance styles and choreographies on the list of songs given.

3. Beneficiaries of the Event

Students of Manipal University Jaipur, exclusively for Coreografia members.

4. Brief Description of the Event

Every year the festival of Makar Sankranti is celebrated with great zeal all over the country. This year, although not together on campus, Coreografia decided to maintain that same level of enthusiasm and came up with the Sankranti Challenge.

A colourful playlist containing the all-time hits of Makar Sankranti was given to choose from and dance to. Receiving an overwhelming response from all members especially the freshers, we saw students grooving to chartbusters like Udi Udi Jaye, Shubh aarambh, etc. Students took videos of their respective choreographies which were posted as stories on the club's main Instagram handle. The participating members will get an opportunity to reshare their videos on their personal pages too.

From Ballet to Bharatanatyam, we saw a wide range of dance forms and a glimpse of the large diaspora of diversity Coreografia boasts, in terms of its people and their dance.

2. Objective of the Event

4. Brief Description of the Event

Aperture- the Digital Arts Society felt immense pleasure in bringing back, Cynosure, Edition 11: Égalité on August 5, 2022, for a course of 7 days. The theme for the photography competition was Symmetry. Cynosure as an event has been an intrinsic part of the society with at least one edition being run every academic year. This competition was put forward through the public page of the club on Instagram and was open to all for participation with entries allowed for a week. The event provided an opportunity for interested people of the club, college and public to showcase their talent by submitting their piece on a dedicated forum and winners being declared for the same. Upon seeing a very dynamic reaction towards the closing day, the team decided to extend the deadline by an additional 3 days (till August 14, 2022). The final closing number was a huge total of 1535 entries submitted under the hashtag #cynosureegalite and more entries still coming in after the deadline, therefore, declaring it a success.

4. Brief Description of the Event:

A Script Writing workshop was conducted for the members of the club on 10th of August, 2022. In this workshop, the students learned how to build a play. The workshop helped in establishing the basics of Script Writing for the students. This workshop also exposed them to a professional learning environment. After this workshop, the students were familiar with beginner level Script Writing. A competition was held in which students had to submit their scripts and a winner was selected among those students.

5. Photographs:

The screenshot shows a Zoom meeting interface. On the left, a grid of video thumbnails shows participants. The main screen displays two presentation slides. The first slide is titled "DISTINCTION BETWEEN PLOTS OF DIFFERENT FORMATS" and contains a table comparing Stage, Street, Short Film, and Film formats. The second slide is titled "Personal Expectations & Audience's Expectations from your story." and lists several bullet points.

STAGE	STREET	SHORT FILM	FILM
linear/episodic plot	Parallel plot	abstract/thought provoking plot/anything	anything
Plot, Conflict, (twist?)	Social issue	abstract	PCT with different settings
journey	Scenes based on a common topic	A thought (the piano tuner)	An intense journey with character arcs and conflicts and twists (andhadhun)
A film with practicality issues	Completely different than all other three	Overlaps with a film	all-encompassing

Personal Expectations & Audience's Expectations from your story.

- Sometimes, you may find your own work ambitious and terrific. But the audience just may not understand the depth.
- Other times, you might underestimate your own creation and it just ends up breaking everyone's expectations.
- As an artist, you need to remember that fulfilling your own vision is much important.
- But do not step back from taking opinions from external people.
- An audience's perception of your play shows how much you have communicated to them.

1. Introduction of the Event

“Dance is music made visible.” Learning how to embody musicality is a skill that can take time to develop. Dance musicality can be defined by how dancers hear, interpret, and move to music. Movement and music go hand in hand to embody what can often be described as the perfect pairing. Regardless of what first comes to mind when thinking of the concept of musicality, it plays an essential role in the dance world. On this note, Coreografia presents a workshop on Musicality and Isolations, which will be taken by Coreografia alumni, Anand and Chirag.

2. Objectives of the Event

- To organize a workshop for all the club members
- To explain the importance of musicality and isolations in any dance
- To make sure the participants use these teaching and hone their skills

3. Beneficiaries of the Event

Students of MUJ, exclusively for Coreografia members

4. Brief Description of the event

Musicality is essential to feeling the music and portraying that through your movements. Coreografia invites all its club members to take part in Musicality and Isolations workshop, where they will be taught how to move in time to the music's rhythm. This workshop will be taught by Anand and Chirag who are Coreografia alumni. This will be held in the dance room (recreational area), inside the hostel premises. The aim of this workshop is to help members start to find their own way of phrasing and their own unique dynamic in the context of improvising with the music.

1. Introduction of the Event

Dancing is an art form that builds a connection between the dancer and the audience watching. The way the dancers' body moves, it portrays emotions and adds value to the overall dance. This movement in technical terms is called Flow. Level changes make dancers' movement more dynamic, which helps them express flow better. As these are some of the most important skills to have as a dancer, Coreografia presents a workshop to its club members on Flow and Levels, which will be taken by Samruddh Mulmuley, the former General Secretary of the club and the Battle team leader.

2. Objectives of the Event

- To organize a workshop for all the club members.
- To explain the importance of flow and levels in any dance.
- To make sure the participants use these concepts and hone their skills.

3. Beneficiaries of the Event

Students of MUJ, exclusively for Coreografia members.

4. Brief Description of the event

There are two aspects of dance that help convey a dancer's story more effectively: flow and levels. Coreografia invites all its club members to take part in the Flow and Levels workshop. The main aim of this workshop is to teach the nuances of dance that will help hone the student's style and improve their overall dancing abilities. Our mentor will be Samruddh Mulmuley, the former General Secretary and Battle team leader of Coreografia. The workshop will be held in the dance room (recreational area), inside the hostel premises. This workshop will be a first in many to help improve creativity and confidence in all our dancers.

6th March, 2018

Dear Madam/Sir,

Ministry of Human Resource Development (MHRD), Government of India has launched a programme 'UNNAT BHARAT ABHIYAN' aiming to connect the higher educational institutions to the villages around, for transfer of knowledge to enrich rural India.

The primary objectives of Unnat Bharat Abhiyan are to engage the faculty and students of Higher Educational Institutions in understanding rural realities; identify and select existing innovative technologies, customise and implement as per local needs; to allow the institutions to contribute to devise systems for smooth implementation of various government schemes.

Both Central and State Higher Educational Institutions (Technical & Non-technical) will be selected through **CHALLENGE METHOD**, based on certain parameters. The selected Institutions will work closely with State Government/ District Administration/ Panchayati Raj Institutions/Other Institutions/ NGOs to provide customized technological solutions, undertake field studies, study the implementation of government schemes and facilitate their implementation according to the local needs. The selected institutions are expected to meet some expenses from their own resources as MHRD would be funding them partially.

OM dated 20.02.2018 and advertisement for Unnat Bharat Abhiyan are attached for your ready reference. For further details, you may access www.unnat.iitd.ac.in.

The interested institutions may apply only online on the above mentioned link of Unnat Bharat Abhiyan, latest by 5 pm on 15.03.2018.

With reference to Unnat Bharat Abhiyan, we at Manipal University Jaipur (awarded All India 2nd rank in Swachhta Ranking of HEIs) are interested to apply for the said scheme. While attempting to log in to join UBA, it requires AISHE username & password. With Manipal University Jaipur's AISHE username & password, the portal fails to log in stating invalid username though the same AISHE credentials are used for successfully uploading University information on AISHE portal.

Kindly resolve this query & guide us further how to apply for UBA,
Expecting a prompt response,
Thanking in anticipation,

Regards,

1. Objective

In furtherance of the objectives of the Swachh Bharat Abhiyan launched on 2nd October 2014, Government has launched the Swachh Bharat Summer Internships-2018 aiming at enrolling the students for promoting swachhata in the villages. This internship is being jointly launched by the Ministry of Human Resource Development in association with the Ministry of Drinking Water and Sanitation and is named 'Swachh Bharat Summer Internship – 100 Hours of Swachhata'. The objective is to engage youth across the country, develop their skill and orientation for sanitation related work and make Swachh Bharat Mission a *jan andolan*.

Ministry Human Resource Development

Department of Higher Education

Shastri Bhawan

New Delhi the 6th February, 2018

To

1. Chairman, University Grants Commission, (UGC), New Delhi
2. Chairman, All India Council of technical Education (AICTE)

Subject: Development of Course/Curricular Engagement of Students with Rural Communities & Processes for greater relevance of education- reg:

Sir,

The context of this communication is to highlight the importance of rural engagement to figure as an integral part of the curriculum of University/College/Deemed University/Technical Institutions. While several institutions have specialised Departments for rural technology, management study etc., it is essential that it becomes a universal feature of the higher education system, in order to impart the muchneeded relevance & practical insight to problems faced by the bulk of the Indian population residing in rural areas.

2. The primary objective of the Unnat Bharat Abhiyan programme being implemented by this Department is to ensure that students of HEIs obtain a structured rural exposure by incorporating the same as part of the academic content. The National Council of Rural Institutes (NCRI), Hyderabad, under the Department of Higher Education is, by mandate, involved the task of promoting core course & add-on curricular interventions for inculcating social responsibility through student engagement with rural communities, especially the villages in proximity of Universities/colleges etc., where the NSS units of the institutions are in interaction with. Promotion of such social responsibility is essential, as observed by the Hon'ble Prime Minister, in his address at IIT Gandhinagar, so that the students obtain real life exposure and their academic pursuits could get channelized into socially relevant areas. The NCRI has so far been instrumental in guiding and securing the objective of incorporating rural engagement into the curriculum of numerous HEIs nation wide, by working the concerned HEIs and nurturing the process.

3. It is the decision of the Ministry to ensure the incorporation of rural process content formally into the higher educational system. Hence UGC and AICTE are requested to carry out the following:

(i) issue necessary instructions to all HEIs under their control to formulate course content on rural engagement & processes

(ii) advise them to immediately seek the assistance of NCRI, Hyderabad (Dr.W.G. Prasanna Kumar, Chairman) for guidance in structuring the course, rationalisation of existing Budget and process assistance in securing the needed tie-up with district authorities for smooth functioning of the arrangement.

(iii) fix up a suitable date for one day Workshop on Rural Engagement of HEIs and invite HEIs under their control to be present for understanding issues better. MHRD representatives (Hon'ble Minister for HRD as per convenience of date) would be present in addition to NCRI and UGC/AICTE.

4. This activity would be monitored periodically by the department and hence action in respect of the above may please be initiated immediately. The progress in respect of (iii) above may be also intimated so that it is held within 3 weeks. Dr.Prasanna Kumar can be contacted at chairman@ncri.in and wqpkncri@gmail.com (Tel:040-23212120,23422105).

The Summit will focus on the present and the future of the GSGS in Asia with particular focus on sustainability of the GSGS program at your university, update of the program, and communication, co-operation and networking. A detailed program will be shared with you soon.

Another objective of the Summit is to generate interest and commitment of other academic institutions across Asia and to make plans for the future of GSGS in this continent.

You are expected to arrive in Ahmedabad on Monday, October 31, 2022, and to depart on Friday, November 4, 2022. IHE Delft administration will arrange and pay an air ticket for you. What you need to do is to, as soon as possible, confirm the flight itinerary suggested on the GSGS Telegram Channel or propose your desired schedule for your flight from your home base to Ahmedabad and back. We shall also need a copy of your valid passport featuring your photo and personal details in order to purchase your economy class ticket. Your passport data will be used only for the purchase of tickets through our network of travel agencies. The ticket will be sent to you by our travel officer via email. The travel arrangements from your home to the airport and back is your responsibility, but the costs will be reimbursed to you based on the proof of purchase of transportation. Please note that we shall prepare a declaration form for the reimbursement that you will need to send to us after your return home, signed and with your bank account details. Upon your return home, please send a single PDF file with the signed declaration form and all the proofs of the costs incurred, to Ms. Nnamaka Ojogbo (n.ojogbo@un-ihe.org), the GSGS admin assistant. We shall make a reimbursement to you soon after we receive your proofs via bank transfer.

You are responsible for checking and, if required, obtaining the visa to enter Ahmedabad in time. The costs for your visa will be reimbursed by IHE Delft based on the proof of purchase. You may wish to use this letter to obtain the visa, if needed.

Please, observe the entry regulations concerning the COVID check requirements. Also, the costs for your COVID test will be reimbursed by IHE Delft based on the proof of purchase, if needed. Do not underestimate the time that it may take to obtain all the necessary entry requirements, so please plan ahead of time and prepare accordingly.

You may also be required to do a COVID check on departure. We shall investigate if we can organise this for you sometime on Thursday, November 3, 2022, and if possible, in the hotel where you stay. The Summit will also take place in the same hotel (except for the opening ceremony which will take place at CEPT University). At the moment we are identifying the appropriate hotel for our stay and the event.

It is very likely that we shall arrange pick-up services for you from the airport to the hotel and back. If not, you need to take care of that by yourself and we shall reimburse you for the incurred transportation costs based on the proof of purchase.

Breakfasts and lunches will be arranged for you in the hotel, where we will secure a room for you for four nights, Monday night till Thursday night, with departure on Friday. IHE Delft will cover the costs of hotel, breakfasts and lunches in the hotel. For dinners (at location of your choice) we shall make an allowance according to IHE Delft regulations for Ahmedabad. Dinners will be reimbursed individually via the expense claim form mentioned earlier, based on the proofs and within the allowance which will be communicated to you in time. So, you will need to pay for your dinner yourself and we shall reimburse you later for it.

In case you wish to arrive earlier (before Monday, October 31) and/or depart later (after Friday, November 4), please inform us about that. However, the hotel and other staying costs for these extra days must be covered by you. In case there are no available flights for you to arrive in Ahmedabad on Monday, October 31, and you need to arrive a day earlier, we shall cover the additional hotel overnight stay. The same is also applicable in a case where there are no flights to return to your home on Friday, November 4, and so you need to depart a day later. Seeing that we have a limited budget for this Summit, we hope that you will be able to find a flight that will bring you to Ahmedabad and back home at our preferred schedule.

The person to send your preferred travel schedule and copy of the passport is Ms. Nnamaka Ojogbo (n.ojogbo@un-ihe.org), the GSGS admin assistant.

In terms of preparation, we shall inform you timely about the Summit agenda and what we expect from you before, during and after the Summit.

Our partner, CEPT University, has formed a great support team and will be assisting us in the organization and implementation of this Summit.

So, for the time being, that is all from us. Looking forward to seeing you in Ahmedabad soon.

Best regards,

1. Introduction of the Event:

Props to patriotism was an event conducted by Coreografia on 26th January 2022. This event was held on Republic Day where club members were told to showcase their love for the country through dancing with the use of props on patriotic songs.

2. Objective of the Event:

- To organize a challenge for all the new members.
- To unite and have fun with their common love for dance and their country despite the current pandemic situation.

3. Beneficiaries of the Event:

Students of MUJ, exclusively for Coreografia members.

4. Brief Description of the event:

Coreografia invites all its new members to take part in a challenge on Republic Day where they had to show their love for the country through dancing with the use of props on patriotic songs. This was a challenge because using props in dancing adds layers of creativity in their arsenal. Each member used different props in different ways and made them think out of the box. Using elements like props helps in choreographing long routines and this challenge increased the versatility of every individual who took part in it.

Short Term Course on Goods and Service Tax

Date 25th April to 29th April 2022

Introduction of the Event

Goods and Service Tax is the indirect tax levied by Government of India on all goods and services barring few exceptions. Since its inception in the year 2017, this act has been a major contention for people. The very dynamic nature of this act makes it even more trivial and complex. Every year amendments are being incorporated and the slabs also are not static. This makes the GST regime more complex and at the same time an important topic to have a knowledge and understanding. Keeping these in view and Short-Term Course on GST was conducted. The course was scheduled from 25th April to 29th April with Industry Experts as speakers and course instructors.

Expense and Income: (Note-sheet attached)

As proposed in the note-sheet.

- 1. Rs 100/- charged from the students of MUJ.**
- 2. Rs 200/- Charged from candidates outside MUJ**
- 3. Free for Faculty members of MUJ**

A link for same was created by the finance department of the university.

Total 537 candidates paid fee out of which one candidate was non-MUJ candidate. Hence total income generated:

536 X 100 = 53600
1 X 200 = 200
Total 53800/- INR

As per the note-sheet 30% of receivables are to be paid to the speakers. Hence net payable $53800 @ 30\% = 16140/-$ INR. (Not paid yet)

The remaining amount shall be accounted for School of Law and School of Business and Commerce (50% each).

Central Registry of Securitisation Asset Reconstruction & Security Interest

- Introduction to CERSAI
- Sections 26B of the SARFEASI Act (inserted by way of Section 18 of the Amendment Act) extends the provision of registration requirements under the SARFEASI Act to any security interest over any property.
- **What is the impact of filing or non-filing of Security Interest?**
- (a) Doctrine of constructive notice for charge registered prior in time: Section 26C(1) of SARFEASI Act (inserted by way of Section 18 of the Amendment Act) stipulates that registration of interests, including attachment orders, will serve as a public notification, so that anyone dealing with the property cannot claim to be ignorant about the existence of such interests.
- Further, Section 26C(2) provides priority to registered charges, i.e. where there is a registered security interest, any subsequent security interest on the property will be subordinated to a pre-registered interest. While the priorities are a matter of contract and the general rule is that priorities should be as per the contract, but Section 26C(2) provides that the unregistered creditor will not be able to claim the priority available to a registered security interest.

Short Term Course on Goods and Service Tax

Date 25th April to 29th April 2022

Introduction of the Event

Goods and Service Tax is the indirect tax levied by Government of India on all goods and services barring few exceptions. Since its inception in the year 2017, this act has been a major contention for people. The very dynamic nature of this act makes it even more trivial and complex. Every year amendments are being incorporated and the slabs also are not static. This makes the GST regime more complex and at the same time an important topic to have a knowledge and understanding. Keeping these in view and Short-Term Course on GST was conducted. The course was scheduled from 25th April to 29th April with Industry Experts as speakers and course instructors.

Expense and Income: (Note-sheet attached)

As proposed in the note-sheet.

- 1. Rs 100/- charged from the students of MUJ.**
- 2. Rs 200/- Charged from candidates outside MUJ**
- 3. Free for Faculty members of MUJ**

A link for same was created by the finance department of the university.

Total 537 candidates paid fee out of which one candidate was non-MUJ candidate. Hence total income generated:

536 X 100 = 53600
1 X 200 = 200
Total 53800/- INR

As per the note-sheet 30% of receivables are to be paid to the speakers. Hence net payable $53800 @ 30\% = 16140/-$ INR. (Not paid yet)

The remaining amount shall be accounted for School of Law and School of Business and Commerce (50% each).
