Manipal University Jaipur Partnering with Health Institutions for a Healthier Tomorrow

In an increasingly interconnected world, Manipal University Jaipur is a center of education and research and hubs for collaboration and innovation.

One of the most significant and impactful areas of collaboration for Manipal University Jaipur today is its partnerships with health institutions. Manipal University Jaipur's collaborations with health institutions have become instrumental in advancing medical research and influencing healthcare policy. These partnerships enable the pooling of knowledge, expertise, and resources to tackle complex health challenges. Research conducted through collaborations leads to breakthroughs in medical science. Manipal University Jaipur and health institutions work together on clinical trials, studies, and experiments that can result in the development of new drugs, therapies, and treatment protocols. These innovations not only benefit patients but also stimulate economic growth through the healthcare sector. Its research findings and expert input can shape healthcare regulations, vaccination strategies, and disease prevention measures, ultimately safeguarding the health of entire populations.

The power of collaboration between Manipal University Jaipur and health institutions will continue to shape the future of healthcare, creating a healthier and more prosperous world for us all.

List of partnering organizations for SDGs

Manipal University Jaipur works alongside national health agencies and organizations to inform public health policy. The collaborations bring together the intellectual capital of academia with the practical experience of healthcare providers, resulting in groundbreaking research, better healthcare delivery, and more informed health policies.

Subject: COVID Vaccination: 2nd Drive on 14th June (Monday)

Dear All,

As the University is reopening effective from 14th June, 2021, we are organizing COVID Vaccination drive on **14th June (Monday)** at MUJ campus (AB-1, Room No#003) in association with Manipal Hospital, Jaipur.

- This vaccination drive will help all employees of MUJ, AIC, Good Host, Quess Corps (MSS, Terrier, COW, Housekeeping), to get atleast First jab of vaccination executed in order to create a safer workplace for everyone.
- Vaccine Name: COVISHIELD
- Employees may get their second dose of vaccination as per the Government guidelines.
- All vaccination will be executed as per the Government stipulated norms by Manipal Hospital Jaipur.
- **Mandatory Document**: **Aadhar Card** or any other photo id card as per Govt stipulated norms for registration
- **Mandatory Process**- It is desirable that all employees do the registration on CO-WIN application well in advance before the vaccination drive in order to cut short the waiting time.

MUJ Employees: MUJ employees are required to fill-up below Microsoft form latest by 12th June (Saturday) for self & beneficiaries and a separate communication will be rolled out with a specific timeslot of vaccination. **LINK:** **https://forms.office.com/r/MPLxBgrXsq**

@Shinu George: Kindly disseminate this information of upcoming vaccination drive scheduled on 14th June, to all employees of Quess corps through respective Section Head and prepare a list with a proper timeslot. Kindly ensure all employees receive atleast first dose of vaccination as per Government norms. For any queries , you are requested to co-ordinate with undersigned for smooth execution.

SPOC for this event is **Mr. Ishwar Lal Kumawat** and he can be contacted **@ +91-9887902874** for any queries/assistance.

Dear All,

As you are aware, the central government has begun the booster dose for senior citizens and the first dose for 15 to 18 years old for COVID-19. This has begun with effect from 10th January, 2022. We would advise all our employees and their family members to get themselves vaccinated as per eligibility and government stipulations.

As a part of employee wellness program and keeping the safety & wellbeing of our employees & their immediate family members on top priority, we are extending a **"cashless COVID-19 vaccination"** for Employees and their immediate family members (spouse, dependent children, dependent parents / dependent parents-in-laws) at our group hospital i.e **Manipal Hospital-Jaipur.**

Please note the following when taking up the vaccination:

1. The eligibility and criteria for vaccination will be as per the government rules.

2. **Process:**
   Step 1: All employees are required to fill up the details in the below mentioned MS link & submit the same.
   Microsoft Link :- https://forms.office.com/r/BxcYbhwe29
   Step 2: HR department will communicate officially to all employees concerned about the vaccination process after getting confirmation from Manipal Hospital, Jaipur
   Step 3: On the proposed date of vaccination, employees are required to **carry the Aadhar card** of the person who are going to get vaccinated.
3. However, after vaccination, everyone should continue to follow all the current guidelines to protect themselves and others, including wearing a mask, social distancing, avoiding crowded places etc.

Note: Please note that the organization is going to absorb the cost of vaccination of all the employees and their immediate family members. The safety and wellbeing of your family is our concern and we want the entire Manipal Family to be happy, safe and protected.

Have a great day!
Thanking you,

Regards,

Subject: Manipal Hospital App - Quick Guide to book Video Consult

Dear All,

To make getting access to healthcare during the COVID-19 pandemic situation easier for the Manipal University, we have introduced the concept of Video Consultation with our Clinicians. They can be booked either the toll free number – 1800 102 5555 or by using the Manipal Hospital App.

With the introduction of mobile apps, there is a revolution within the Health-care industry to digitalize medical care. Manipal Hospitals being a pioneer in Health-care introduced a mobile app of its own known as the Manipal Hospitals app. It can be accessed by both android and IOS platforms based mobile users. We intend to improve and enhance patient engagement through our mobile app. Manipal Hospitals app provides a new dimension to Health-care with its various features ranging from booking appointments, paying hospital bills, to accessing past health records online.

Some of the important features of **'Manipal Hospital Patient App'** are:

1. **Book hassle free appointments**

2. **Pay Manipal Hospital Bills**

3. **Manipal Hospital Health Records**

4. **Emergency Services**

5. **Health Tips**

   To download the app, click on the link: https://www.manipalhospitals.com/mobile-app or scan the QR code given below:

The process for booking an appointment is given in the attached file, in case of any query you may please connect with Ms Arpita - *9602154339*

Research Collaboration
with

RG Stone Urology & Laparoscopy Hospital
Simplifying Surgeries

(July 2022)

REPORT

Collaboration for Research

Name of organization: RG Stone Urology & Laproscopy Hospital Name

of Collaborating Officers from RG Hospitals:
Dr Avinas Ojha (CEO, RG Group of Hospitals) Dr
Deepak Buddhi (Consultant Radiologist)
Dr Ravi Sharma, (Senior Consultant Radiology).

Name of Faculty from MUJ:
Dr. Vijaypal Singh Dhaka (Professor and Head, CCE), Dr.
Geeta Rani (Associate Professor, CCE)

Date 8th Aug 2022

A collaboration was initiated by Professor Vijaypal Singh Dhaka to promote the interdisciplinary research. To help the healthcare industry and society, he asked the students, faculty members to join the hands to find the AI based solution for Segmentation of Organs of Urinary System from KUB X-ray images, and Detection of Disease or Abnormality in Urinary System. A team including Dr. VS Dhaka, Dr Geeta Rani, and four students started working on developing the AI based Segmentation of Kidneys, Ureters, and Bladder from KUB-X-ray images. They successfully developed the system. Now, to obtain the datasets and feedback from the health experts, the team from MUJ connected with the health experts at RG hospitals. The team of health experts agreed upon the research collaboration.

As a part of collaboration, Dr VS Dhaka and Dr Geeta Rani conducted the training on AI tools for Healthcare from 1st Aug 2022 to 7th Aug 2022. They also worked on the collection and analysis of real life dataset available at RG Group of hospitals. The research team from

Manipal University Jaipur also conducted a training program on AI based tools and technologies for the health experts at RG Hospital. The documents are embedded below in the report.

Further, the team of health experts Dr. Geetanjali, Dr Deepak Buddhi, and Dr Ravindra Kumar Sharma regularly evaluated the efficacy of the developed system during virtual meetings and provided their feedback. The team from MUJ incorporated all the suggestions given by health experts and improved the efficacy of the system. The article titled "KUB-UNet: Segmentation of Organs of Urinary System from a KUB X-ray Image, has been published in SCI indexed, Q1 Journal, 'Computer Methods and Programs in Biomedicine' in July 2022.

Another article titled "A Multi-Modal Bone Suppression, Lung Segmentation, and Classification Approach for Accurate COVID-19 Detection using Chest Radiographs" is under review in the SCI indexed Q1 Journal "Intelligent systems with Applications".

Subject: Invitation for imparting training on AI tools in Radiology

Dear Prof Dhaka

We are in the process of automating the Department of Radiology by way of including some AI based tools and software. We have observed that AI based assistance is helpful in automating the primary screening of diseases such as COVID-19 from chest radiographs, segmentation of region of interest from different modalities such as X-rays, ultrasound, CT scan, and MRI.
Being from Non-IT background, the team of radiology experts require a short training to use these software and tools. We gather that your research domain and expertise in AI applications are in-line to the requirements of the training program. We, therefore request you to accept this letter as an invite to be our trainer for imparting one-week training to the team of our radiologists at RG Hospitals, New Delhi. We are confident that this training shall be useful in familiarizing them with the AI tools and software frequently used in radiology.

Kindly book your calendar from 1st Aug 2022 to 7th Aug 2022. The training can be scheduled in online/ offline mode as per your convenience.

Further to bring this to your kind attention, the training is intended for noble cause and as such no finances will be involved in this event.

We look forward to your positive response.

Thanking You!

Subject: Feedback on Training Conducted on AI tools and Software

Dear Prof Dhaka,
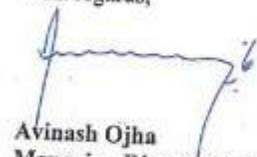

I am writing to convey our appreciation and gratitude for sparing valuable time from your busy schedule and conducting the training on AI tools and software from 1ˢᵗ Aug 2022 to 7ᵗʰ Aug 2022. The team of radiology experts thoroughly enjoyed the demonstration and hands-on experience. It is worth noting that the use of AI based tools was in fact presented to us as a "fun to learn" exercise. Content of the training was enriched and well structured. The demonstration of different tools was interesting, and easy to understand. Specifically, demonstration of the software for automatic cropping of region of interest from the medical modalities was unique and extremely useful.

Now, the radiologists feel much confident using these tools and software in their day to day routine. I hope these tools will reduce the manual efforts, and help them in better decision making.

Thank you once again for your nice presentation, interactive session, and demonstration. Looking forward to more collaborations in future.
