

## Fostering Change Through Cross-Sectoral Collaboration

Manipal University Jaipur's engagement in cross-sectoral dialogues exemplifies its dedication to addressing wider societal issues. These interactions highlight the essential function of academia as a catalyst for sustainable development. The cooperative ethos established in these discussions serves as a guiding light, steering collective endeavors towards achieving the Sustainable Development Goals (SDGs). The university's proactive participation in these initiatives reflects its commitment to fostering a sustainable future through the exchange of knowledge, collaborative initiatives, and innovative approaches.

One of the notable features of Manipal University Jaipur in its commitment to the Sustainable Development Goals (SDGs) is its proactive engagement in cross-sectoral dialogues. The university has established conferences, symposiums, and workshops as essential venues for collaborative discussions, bringing together academia, government entities, and non-governmental organizations (NGOs) in a unified effort to promote sustainable development. These events act as centers for knowledge sharing, where experts, policymakers, and practitioners can exchange insights, research outcomes, and best practices. By cultivating collaborative settings, Manipal University Jaipur facilitates meaningful interactions among diverse stakeholders, integrating theoretical frameworks with practical experiences. This combination of expertise fosters the development of innovative solutions and strategies vital for tackling the complex challenges associated with the SDGs.

Manipal University Jaipur also plays a crucial role in fostering partnerships. The gathering of representatives from various sectors during these conferences paves the way for the formation of strategic alliances. Collaborations among academic institutions, governmental bodies, and NGOs result in the sharing of resources, expertise, and initiatives, thereby enhancing the collective effort towards achieving the SDGs and maximizing the impact of each sector's strengths. Through these cross-sectoral dialogues, the university significantly contributes to the formulation and execution of policies that align with the SDGs. Its involvement transcends theoretical discussions, leading to the development of actionable plans. The collaborative nature of these discussions serves as a catalyst for practical policies, utilizing the insights and recommendations derived from the conferences.

The integration of varied perspectives fosters innovation. The cross-sectoral dialogues held at these conferences promote creative thinking and encourage the exploration of unconventional ideas and practices, which can result in groundbreaking solutions.

## 5. Brief Description of the event

The School of Law at Manipal University Jaipur was delighted to announce the 9th Justice Ranka Moot Court Competition, which took place from September 30th to

# MANIPAL UNIVERSITY JAIPUR

October 2nd, 2023. This prestigious event was organized in association with the Justice Ranka Public Charitable Trust. The competition was inaugurated by the esteemed Chief Guest, Hon'ble Mr. Ajay Rastogi, a Former Judge of the Supreme Court of India. Joining him as Guest of Honour was Hon'ble Mr. Justice Mahindra Mohan Shrivastava, a Judge of the Rajasthan High Court and Executive President of the Rajasthan State Legal Services Authority, along with Special Guest Hon'ble Mr. M.S. Singhvi, Advocate General of Rajasthan.

The 9th Manipal Ranka International Moot Court Competition, 2023, was made possible through the collaboration of key figures, including Smt. Urmila M. Ranka, Chairperson of the Ranka Public Charitable Trust, Mr. Justice J.K. Ranka, Vice-Chairman of the Ranka Public Charitable Trust, Mr. Siddharth Ranka, Secretary of the Ranka Public Charitable Trust. A total of 56 teams had registered for this prestigious competition, with 30 national-level teams shortlisted to participate in offline mode, and an additional 3 international teams participating in online mode, making it a truly global event as briefed by Prof. (Dr.) Jayaram E.R., Dean Faculty of Law Manipal University Jaipur.

The competition was conducted in a hybrid mode, allowing participants to showcase their legal acumen and advocacy skills in both physical and virtual environments. The valedictory ceremony of the competition was held on October 2nd, 2023, marking the successful conclusion of the event. The primary objective of the 9<sup>th</sup> MRIMCC - 2023 was to foster the development of moot court skills among aspiring legal scholars and practitioners. It provided a platform for law students to hone their advocacy, research, and argumentation abilities, thereby preparing them for successful careers in the legal profession. The organizing committee and participants eagerly awaited the commencement of the event and looked forward to an intellectually stimulating and rewarding experience.

In the competition, Jindal Global Law School emerged as the winner and was awarded trophies and cash prizes. Winners of other categories like best speaker, best researcher and best memorial were awarded with trophies and cash prizes.

The valedictory ceremony of the 9th Manipal Ranka International Moot Court Competition (MRIMCC) held in 2023 was graced by distinguished guests, adding to the grandeur of the occasion. Hon'ble Mr. Justice C.S. Dias, a Judge of the Kerala High Court, served as the Chief Guest for the ceremony, bringing his wealth of legal experience and insight to the event. Joining him as another Chief Guest was Hon'ble Mr. Justice Sudesh Bansal, a Judge of the Rajasthan High Court, lending regional expertise to the proceedings.

The ceremony also welcomed Prof. Dr. Balakista Reddy as the Guest of Honour. Dr. Reddy, Dean of Mahindra University, Hyderabad, and former Registrar of NALSAR, Hyderabad, brought an academic perspective and rich knowledge of legal education to the event. Additionally, the Special Guest for the valedictory ceremony was Prof. Dr.

# MANIPAL UNIVERSITY JAIPUR

V.K. Unni from IIM Calcutta, contributing a unique blend of management and legal expertise to the occasion.

The presence of such esteemed personalities added a layer of distinction to the closing event of the MRIMCC, providing participants with the opportunity to engage with and learn from some of the most respected figures in the legal and academic realms. The valedictory ceremony served as a fitting culmination to the competition, acknowledging the efforts and accomplishments of the participants while emphasizing the importance of moot court skills in the legal profession.

## 1. Introduction of the Event

Welcome to the World Conference on Digital Environments, New Trends in Social Networks, and the End of Passwords. The conference delve into the transformative realms of technology, social connectivity, and security.

In an era defined by rapid technological advancements, our conference serves as a platform for thought leaders, innovators, and experts from around the globe to converge and explore the dynamic landscape of digital environments. We aim to foster a deeper understanding of the latest trends in social networks and tackle the imminent paradigm shift towards a password-free future.

## 2. Objective of the Event

Moreover, the role of social networks in shaping global discourse and connectivity cannot be overstated. As we witness the continuous evolution of these platforms, it becomes imperative to explore the emerging trends that influence communication, collaboration, and the dissemination of information. Our esteemed speakers will provide insights into the future trajectory of social networks, examining their impact on societies and individuals alike.

One of the key focal points of our conference is the journey towards the end of passwords. As cybersecurity concerns escalate, it is crucial to explore innovative solutions that can enhance the security of our digital identities. Whether through biometrics, multi-factor authentication, or cutting-edge cryptographic methods, we will unravel the possibilities and challenges associated with bidding farewell to traditional password-based authentication.

## 3. Beneficiaries of the Event

The beneficiaries of the Event would be all lawyers, academicians and students from all over the globe.

## 4. Details of the Guests

Zulmar Fachin, Representative, Escola de Direito das Faculdades Londrina (Brasil)  
Jorge Isaac Torres Manrique, Presidente, Escuela Interdisciplinar de DD.FF.  
Praeeminentia Iustitia (Perú)

## 5. Brief Description of the event

Throughout the conference, there was lively discussions, knowledge sharing, and networking opportunities to facilitate collaborative efforts in navigating the complexities of the digital age. Participants explored the frontiers of technology, anticipate future trends, and collectively shape a digital landscape that is secure, interconnected, and reflective of the needs and aspirations of our global society.

Once again, welcome to the World Conference on Digital Environments, New Trends in Social Networks, and the End of Passwords. May this gathering be a source of inspiration, collaboration, and enlightenment as we collectively embark on this transformative journey into the future.

## 1. Introduction of the Event

World Summit on the Constitutional Rule of Law, the New Social Rights, and the Future of Fundamental Rights. It is an immense pleasure to stand before a distinguished gathering of legal scholars, policymakers, activists, and advocates who share a common commitment to the principles that underpin our global legal and constitutional frameworks.

This summit is a testament to our collective dedication to upholding the constitutional rule of law, safeguarding emerging social rights, and charting the course for the future of fundamental rights. In an era marked by transformative societal shifts, technological advancements, and evolving geopolitical landscapes, the conversations we embark upon today hold unparalleled significance.

The constitutional rule of law forms the bedrock of democratic societies, ensuring that governance is anchored in the principles of justice, equality, and the protection of individual rights. As we gather here, we confront a myriad of challenges that demand our attention, from the protection of civil liberties to the preservation of democratic institutions. This summit provides an invaluable platform to explore innovative strategies and collaborative solutions to fortify the rule of law globally.

## 2. Objective of the Event

This concept of new social rights emerges as a critical discourse in our discussions. The evolving nature of society brings to light novel challenges and opportunities, prompting us to reevaluate and expand our understanding of fundamental rights. Together, we will delve into the intersections of law and social justice, seeking to define and secure the rights that reflect the evolving needs and aspirations of our diverse global community.

The future of fundamental rights lies at the heart of our deliberations. As we navigate an era of rapid change, our commitment to human rights must be unwavering. Whether addressing issues of technological ethics, environmental justice, or the protection of marginalized communities, our discussions will shape the trajectory of fundamental rights in the years to come.

## 3. Beneficiaries of the Event

The beneficiaries of the Event would be all lawyers, academicians and students from all over the globe.

## 5. Brief Description of the event

# MANIPAL UNIVERSITY JAIPUR

In the spirit of unity and shared purpose, let us work together to build a future where the constitutional rule of law is steadfast, new social rights are recognized and protected, and fundamental rights remain the cornerstone of a just and equitable global society.

Once again, welcome to the World Summit on the Constitutional Rule of Law, the New Social Rights, and the Future of Fundamental Rights. May our collective efforts lead to a world where the principles we discuss today are not just ideals but the lived reality for all.

To

Department of Fashion Design &

Directorate of Student's Welfare,

Manipal University Jaipur

Subject: Letter of appreciation and gratitude for workshop

Respected Sir/Madam,

I am writing on behalf of Aashray Care Home, Jaipur, to express our deepest gratitude to the Department of Fashion Design and the Directorate of Student's Welfare at Manipal University Jaipur, in collaboration with the National Service Scheme (NSS), for conducting a remarkable workshop on crochette and paper origami on 18th October 2023.

The workshop, led by the dedicated faculty coordinators, Mr. Harshwardhan Soni and Ms. Pratibha Mishra, was a beacon of hope and inspiration for the 30 girls at Aashray Care Home who are affected by HIV. The initiative not only provided them with valuable craft skills but also instilled a sense of self-dependence and purpose in their lives. Your team's commitment to addressing Sustainable Development Goals (SDG's) 1, 2, 3, and 4 through this workshop is truly commendable.

The collaborative effort demonstrated by your institution and the NSS showcased a profound understanding of the importance of education and skill development, particularly for individuals facing challenging circumstances. Through your workshop, these young girls were empowered with creative skills that will undoubtedly contribute to their livelihoods and personal growth.

We appreciate the thoughtfulness and expertise your team brought to the workshop, making it a meaningful and enriching experience for the participants. Your dedication to social causes and community development is evident through your actions, and we are truly honored to have been a part of this initiative.

Once again, thank you for your valuable contribution to our cause. We look forward to the possibility of collaborating on similar projects in the future and continuing our joint efforts to make a positive impact on the lives of those in need.

## 1. Introduction of the Event

On the 16<sup>th</sup> August, 2023, Department of Physics in collaboration with COSMOS - The Science Club and Directorate of Student Welfare organized a Societal Connect Event at Matra Chaya Bal Grah for Donation Drive. The aim of the event was to bring joy, learning, and a sense of community to the children residing in the orphanage. This event was conducted under the supervision of faculty coordinators, headed by Dr. Rashi Nathawat and Dr. Debanjan Bhattacharjee.

## 2. Objectives of the Event

- Donation Drive
- Talent Show
- Engagement of children in various activities.
- Interactive Sessions
- Arts and Crafts
- Distribution of Gifts
- Lunch and Snacks

## 3. Beneficiaries of the Event

Members of Matra Chaya Bal Grah.

## 4. Brief Description of the event

On 16/08/2023 we the COSMOS club of MUJ gave a visit to an orphanage "Matra Chaya Bal Grah". They provide shelter, food and education to the orphan and rescued children and considers them as family. When we reached the orphanage, they were overwhelmed, and we could see the happiness in their eyes. They looked happy but still we could feel their pain of not being able to live with their dear ones. But still, it looked like a big joint family living together under a roof. All these people were so joyful and jolly as if they are in their home. Also, it's totally mesmerizing that they had their characters like the naughty one in the group, the learned one, the one who teaches everyone, the one who is the leader and so on and that was adorable.

Our experience involved cheerful memories like drawing with them, making some beautiful clay toys and hence creating the Cosmos letter by those toys, performing dance for them in fact making them dance with us, serving them food, all these moments were just mesmerizing. While being engaged in art and craft activities we saw such an amazing set of skills and creativity in each of them in such young ages which was quite appreciable. All of them were so excited about the gifts which were given to the winners. Also, we donated some food items

# MANIPAL UNIVERSITY JAIPUR

and essentials to the orphanage. Another thing worth mentioning was going there and simply interact with them.... it just gave them a personal touch and they were extremely happy about it.

But at the same time there were some emotional moments when we realized these beautiful faces, we are looking at have no parents and a birth family but still they were happy.

Even after going through so much in life these people are so joyful and thankful for life and have no complains about it. They taught us that "We must cherish all our happy moments."

Also, they made us realize the true value of our elders, our parents and grandparents and definitely implanted a seed of respect and love towards them.

## 1. Introduction of the Event

Dr. Veenus Gehlot and Dr. Madhu Bala Kaushik, faculty of Management and Commerce, organized a wonderful and productive seminar for the students on November 17<sup>th</sup>. The event was going to happen in Sharda Pai but due to unforeseen circumstances we shifted the set up to Room number 208 second floor 3AB, focusing on the theme “Creative Thinking being little critical .” The objective wasn’t just academic; it aimed to make students aware of the importance of being a good human being and backing your idea and how to execute your plans in this rapidly changing world, understanding the concept pf thinking smart becomes crucial, and the seminar provided a benchmark to the approach

## 2. Objective of the Event

- Enhanced Problem-Solving: Learn to approach challenges creatively.
- Innovative Solutions: Develop a mindset for generating original ideas.
- Collaborative Skills: Foster teamwork through design thinking.
- Adaptability: Gain tools to adapt to evolving situations.
- Communication Skills: Express and share ideas effectively.

## 3. Beneficiaries of the Event

- Teachers- Students engagements, Monthly targeted completed
  - Students- Being more active and knowing the importance of Thinking and designing New perspective , Attendance, Connection building opportunity
- Manipal- Got recognition ( positive image )

#### **5. Brief Description of the event**

The seminar was a delightful experience, marked by captivating presentations and seamless engagement between teachers and students. The inclusion of vibrant video presentations and thoughtfully planned activities elevated the experience. Students assumed the role of team captains, orchestrating the management of Jaipur Junction, fostering leadership and creative problem-solving.

The infusion of humor into the conversations ensured an enjoyable atmosphere, dispelling any chance of boredom. Beyond the pleasant ambiance, the seminar underscored the importance of thinking creatively and embracing innovation. Encouraging students to back themselves, the event highlighted the transformative power of creative design thinking in tackling challenges.

The culmination, marked by the presentation of mementos and a shared lunch with the speakers, guests, and interns, added a personal touch to the overall enriching experience. This seminar not only left a positive impression but also instilled a lasting appreciation for the value of creative and innovative approaches in both personal and professional endeavors.

# IRMRA TALK

At the 24th Rubber Conference & Expo on Sustainability & Circular Economy, held from September 21st to 23rd, 2023, in Chennai!, Dr. Abhishek Sharma's impactful presentation highlighted innovative waste management solutions that entailed conversion of paper and plastic waste into valuable resources. This event gathered global leaders and experts, serving as a pivotal moment for waste management and resource recovery discussions. Dr. Sharma's insights facilitated fruitful discussions on sustainable practices. The presentation reflected the theme of the conference on sustainability and the circular economy. It emphasized the importance of transforming waste into wealth, encapsulating the essence of the event in advancing sustainable and eco-friendly practices within the rubber industry.

### 1. Introduction of the Event

SHTM & Epicurean club in association with Directorate of Student Welfare organized an outreach program of SDG's mission of ZERO HUNGER at NGO - Jan Kala Sahitya Manch Sansthan, Jaipur MATRA CHAYA BAL GRAH, A-17, Ashok Vihar, Mansarovar, Jaipur - 302020 on 27<sup>th</sup> Dec 2023.

### 2. Objective of the Event

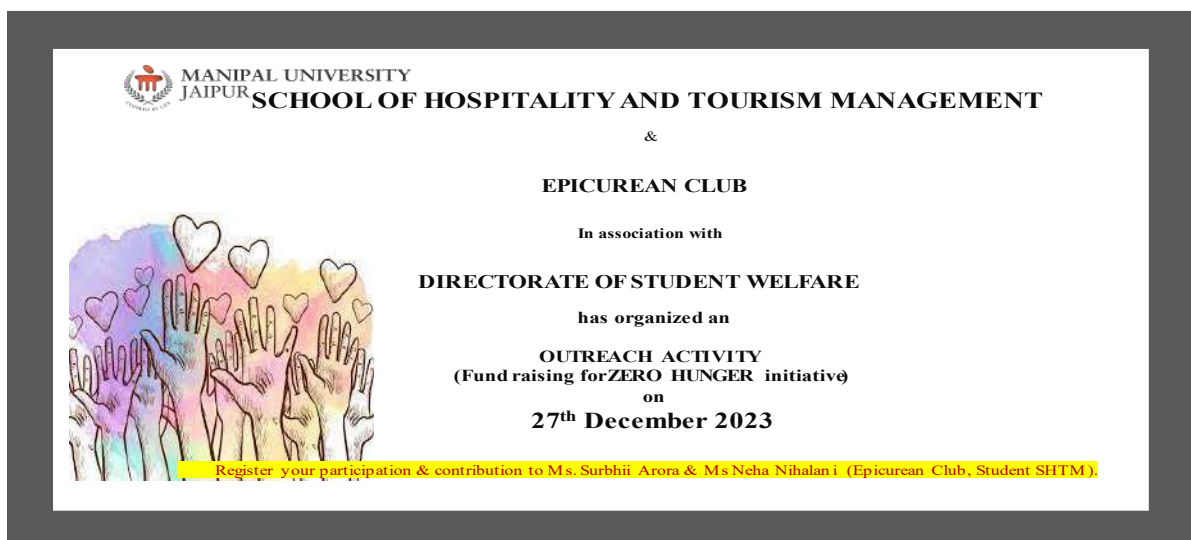

- Organizing an outreach activity
- Develop value ethics among the SHTM students
- Spread awareness of SDG initiatives

### 3. Beneficiaries of the Event

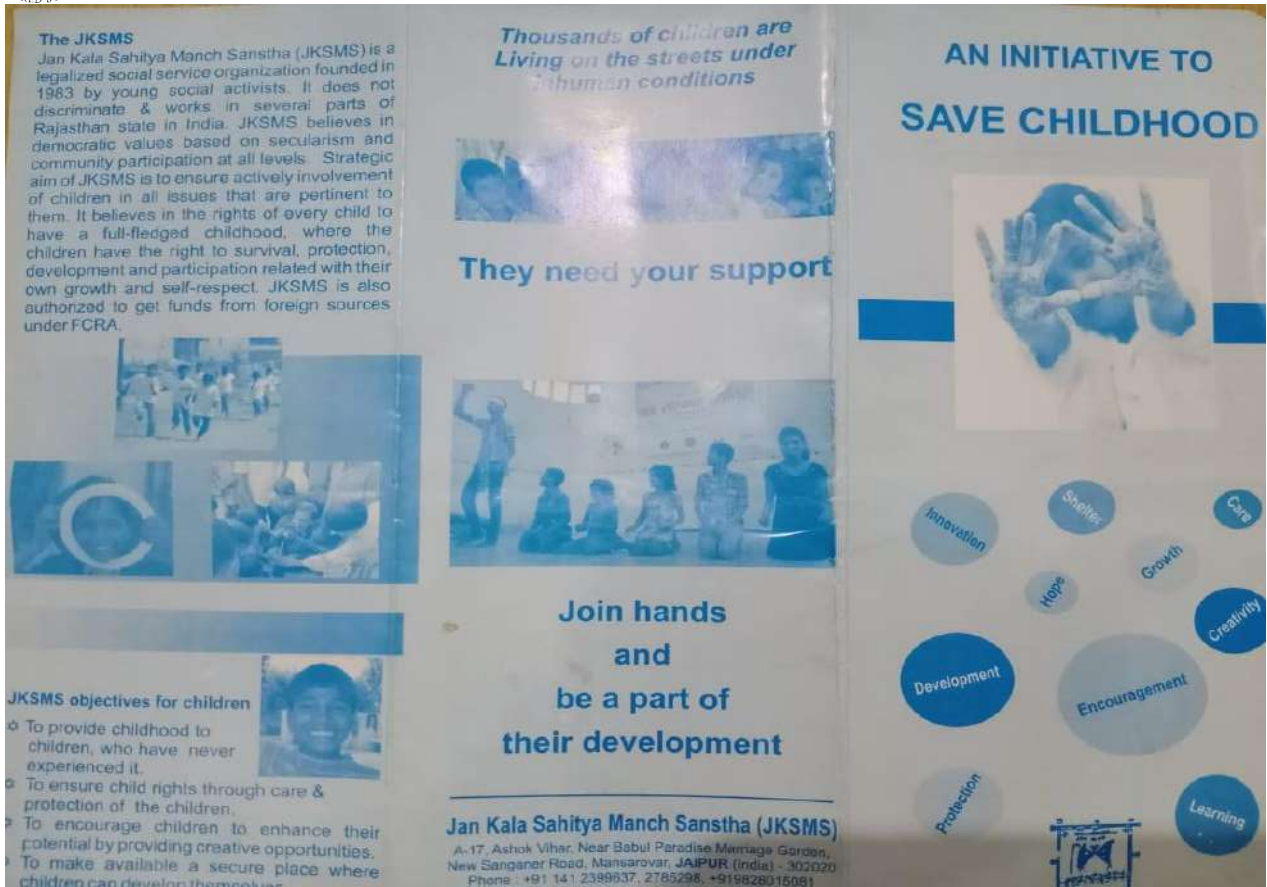

*NGO - Jan Kala Sahitya Manch Sansthan, Jaipur* is an orphanage which provides education, shelter and other basic needs to the homeless, and abandoned children. It is a safe place for children who are looking for shelter and food. They take education seriously and provide the same to the children.

### 4. Brief Description of the event

The motive to inculcate corporate social responsibility among the students, Epicurean club run by School of Hospitality & Tourism Management came up with the idea of raising funds for the children of the orphanage. A core team of students initiated the outreach drive and collected donations from the students and faculty members of MUJ. The team was led by the students of Hotel Management and the members of Epicurean Club under the guidance of the faculty members of SHTM, showing great leadership skills and teamwork. On 27<sup>th</sup> Dec 2023, the students and faculty members went to the NGO and donated the collected fund, stationery items and foods to the orphanage representatives.

Dear Sir,

**School of Hospitality and Tourism Management and Directorate of Student Welfare, Manipal University Jaipur.**

We hope this letter finds you well. On behalf of everyone at Apna Ghar Orphanage, we want to express our deepest gratitude for your generous donation of Rs 5000.

Your support means a lot to us and plays a crucial role in helping us provide a nurturing and caring environment for the children at our orphanage. With your contribution, we can continue to meet their basic needs, offer educational opportunities, and create a loving atmosphere that fosters their growth and well-being.

Your kindness and compassion are making a real difference in the lives of these children, giving them a chance for a brighter future. We are truly grateful for your commitment to our cause.

Thank you once again for your generosity. Your support is invaluable, and we look forward to keeping you updated on the positive impact it has on the lives of the children in our care.

Warm regards,

Kamal Kishor

## MEMORANDUM OF UNDERSTANDING

BETWEEN

**Manipal University Jaipur**

**(Rajasthan, India)**

AND

**Rajiv Gandhi Centre of Advanced Technology (R-CAT)**

**(Rajasthan, India)**

Manipal University Jaipur (MUJ), a coeducational, residential, a self-financed state university from Jaipur, Rajasthan and the Rajiv Gandhi Centre of Advanced Technology (R-CAT), a Unique IT Finishing School, a Registered Society established by the Government of Rajasthan, desiring to establish collaborative relations between the two institutions to promote partnership, friendship and to co-operate in a mutually beneficial academic association, have agreed to promote interest in the teaching, learning and competency development activities.

I. The purpose of cooperation between Manipal University Jaipur and R-CAT are as follows:

- To promote interest in the teaching and learning activities of the respective institutions.
- To be united by common objectives, and to establish channels for synergy in communications and cooperation.

II. To achieve these goals, Manipal University Jaipur and R-CAT will do the following insofar as the means of each allow:

- To carry out joint initiatives to support students, faculty members and staff;
- Promote institutional exchanges by inviting faculty and staff/trainers/instructors of the partner institution to participate in a variety of teaching/training, outreach, innovation, and research activities for academic and professional development.
- To receive students of the partner institution for a particular period of training, live projects and/or internship.
- Organize Training Programmes, short courses, events, and meetings on educational issues.
- Carryout joint continuing educational programs

- III. The parties hereto can appoint representatives to carry out the planning of discussions, partnerships, and other programs.
- IV. The present MEMORANDUM OF UNDERSTANDING (MoU) shall be reviewed upon written request by either party at any given time. Modifications are executed and approved through the exchange of letters, which then become addenda to this memorandum.
- V. Pending approval by regulatory authorities, this agreement shall commence on the day that it is signed on behalf of Manipal University Jaipur and R-CAT and shall remain in effect for a period of three (3) years, during which it may be terminated by either institution at any time by giving advance written notice. Such termination by one institution shall be effected by giving the other institution at least one month advance written notice of its intention to terminate. Termination shall be without any penalty to either party. If this agreement is terminated, neither Manipal University Jaipur nor R-CAT shall be liable to the other for any monetary or any other losses that may result because of this termination.
- VI. The signing parties of MOU realize that the above-mentioned areas of activity signal only the beginning of mutual cooperative efforts. As the relationship between the two institutions develops and strengthens, the scope of this agreement may be expanded to cover other areas of cooperation.
- VII. The MOU empowers and obliges only the signing institutions not individual persons.
- VIII. Financials and other terms and conditions for any specific project carried out in furtherance of this MoU shall be decided mutually and shall be signed through a different agreement / MoU.

## MEMORANDUM OF UNDERSTANDING (MoU) FOR INSTITUTIONAL COLLABORATION

BETWEEN

**Institute of Nano Science and Technology**

and

**Manipal University Jaipur**

### Preamble

Institute of Nano Science and Technology (hereinafter referred to as “INST”), Mohali is an autonomous research institute under Department of Science and Technology (DST), Government of India. INST is involved in multidisciplinary research related to nanoscience and nanotechnology. The institute aims to develop nanomaterials and create new fundamental understandings in nanoscience. INST is also promised towards outreach activities for creating broader societal impact in the field of education and research.

Manipal University Jaipur, (hereinafter referred to as “MUJ”) a State Private University Constituted vide the Manipal University Jaipur Act 2011 (Act No. 21 of 2011), with its campus at Village Dehmi kalan, Tehsil Sanganer, Off. Jaipur-Ajmer Expressway, Ajmer Road, Jaipur 303007. The permanent campus of the university is set up on 122 acres of land at Dehmi Kalan village near Jaipur and is by far one of the best campuses in the region. MUJ has world class infrastructure, including state-of-the-art research facilities and modern library. In line with Manipal University's legacy of providing quality education, the university uses the latest and innovative methods and technology to impart education. The multidisciplinary university offers career-oriented courses at all levels, i.e., UG, PG and Doctoral and across diverse streams, including Engineering, Architecture, Planning, Fashion Design, Hospitality, Humanities, Commerce, Management, Communication, Basic Sciences, Law etc.

The purpose of MoU is to establish an understanding of mutual cooperation between INST and MUJ, for providing a common platform for deriving mutual advantages in their pursuit of higher learning in general and benefiting their respective students and faculties, by way of exposure to each other's programs, in particular.

### Coordination

Director INST shall be the Coordinator from INST and the Registrar from MUJ shall be the Coordinator from MUJ. The participants and Coordinators may change from time to time as decided by appropriate authority of the respective institutions.

## Scope of Cooperation

The initially proposed activities within the scope of the current MoU are:

### **A. Internship for students**

- (i) An internship of maximum up to six months will be provided by INST to the postgraduate students of MUJ.
- (ii) These students shall have specialization in any of the following subjects: physics, chemistry, biology, microbiology, polymer chemistry, industrial chemistry, applied chemistry, material sciences and nanoscience.
- (iii) The program will be conducted once in a year.
- (iv) A maximum total number of students to intern each year will be 6.
- (v) INST will try best to provide the interning students with on-site hostel facility. The cost for the hostel facility has to be borne out by the interning students themselves. In case of non-availability of hostel the students themselves will be responsible to rent accommodation outside.
- (vi) INST shall not be responsible for the to and fro travel of the students from their parent institute to INST.
- (vii) MUJ should try best to have a distribution of the interning students to be sent such that at least one postgraduate students each from Physics, Chemistry/Applied Chemistry and Biology/Microbiology should intern under this program each year.
- (viii) MUJ will select the intern students based on their criterion of merit and send a list of the interning students along with their CV and a brief write up of research interests.

### **B. Joint workshop**

**C. Joint research project** Separate agreement must be executed with regard to specific project/work initiated in furtherance of this MOU. Financial and other obligations of both the institutions shall be as per that agreement.

**D. Defining new areas of collaboration that have not been foreseen, but can be mutually beneficial:** Separate agreement must be executed with regard to such collaboration in furtherance of this MOU. Financial and other obligations of both the institutions shall be as per that agreement.

### Provisions:

- a) The areas of cooperation may be revised by mutual consent. However, specific programs may require separate agreements detailed out and documented as annexures to this MoU.
- b) Detailed modalities of individual forms of collaboration, activities associated with them and financial aspects of each shall be mutually agreed upon on a case-by-case basis, and specified, with all necessary details, in separate Agreements.

c) This MoU will not be legally & financially binding to any of the Parties. The two Parties will consult with each other and attempt to resolve disputes or misunderstanding that arises in the administration of this MoU or any subsequent associated Agreement informally.

### Code of Conduct

Visiting student and faculty will abide by the codes of conduct of the host Institution.

### Intellectual Property

(i) Any major finding arising during the internship program shall remain the intellectual property of INST, Mohali.

(ii) Intellectual property ownership for joint research projects will be governed by the terms and condition that must be agreed upon by signing corresponding project specific MOUs.

### Legal Status

This document is a statement of intent to foster genuine and mutually beneficial cooperation and is not legally binding on both the parties. Any disputes shall be resolved through mutual discussion.

### Validity and Termination

This MoU is valid for an initial period of three years and becomes effective from the date it is signed by the partners. The partnership period may be extended by mutual consent.

This agreement may be terminated:

- on either party giving the other party 3 months' prior written notice;
- on written notice by one of the Parties if the other Party has committed a breach of this MoU.

However, specific commitments made prior to such intimation and not violating breach of this MoU shall be honored by both the partners including ensuring that any student at that time participating in the programme is able to complete the term of the assignment and be assessed for it.

- Rajasthan Studio is a member of Association of Domestic Tour Operators of India and also a recognised Inbound Tour Operator by the Ministry of Tourism, India.

#### **Academic Standing**

Mr. Kartik Gaggar, Founder and CEO, Rajasthan Studio is all about finding and preserving the lost art form of India. No matter where he travelled, his connection with Rajasthan remained as strong as ever, courtesy of his familial bonds.

*Riskind*

Gadgets and gaming fascinated him since the very beginning, the digital world piqued his curiosity and was the subject of his exploratory experiences. The travel bug bit him early in life, and this is reflected in his decision to start a company that offered art experiences to travellers.

With a strong fondness for history, Kartik truly believes that art-based experiences is the best way a traveller can learn more about the city, it's Culture and heritage.

Rajasthan Studio provides both online curated experiences and masterclasses - it has a place and shelter for every art enthusiast and it truly helps one to get over #FOMA (fear of missing art).

Although the pandemic indeed hit Rajasthan Studio just as hard as it did to other businesses, the fact that the staff kept up with their efforts to add colour to our lives, is what makes all the difference.

### Article II: Objectives and Scope

The objective of this MoU is to connect students as well as faculties with industry to gain upgraded market knowledge and learning to provide the desired solutions to the client based on various projects.

Currently there is a limited exposure to the industry practices during the academic programme. Below are some highlights of current scenarios in academics.

Date: 30-12-2023

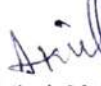

Subject: Letter of Appreciation.

Respected Sir,

We appreciate students from Rotaract Club MUJ and The Directorate of Student's Welfare for organizing the drive at our Child Shelter Home. In that time students and staff from your university stepped up and conducted a Donation Drive on 4 October 2023 where they distributed stationery items to children and spent time with them. We look forward to more such events in future.

Thank you.

# Faculty Development Programmes

R-CAT, in collaboration with its tech partners, has launched Faculty Development Programmes (FDP) for its academic partners, universities, and reputed higher education institutes during this summer break of 2023. The approved 40 hours programme for five days is collaboratively designed so that it meets the academic criteria for capacity development of faculty members as per UGC/AICTE Guidelines.

Faculty members receive a Certificate of Completion only when they attend a minimum of 75% of the training programme and achieve a minimum of 60% score in the final evaluation. More than 400 Faculty Members have been trained so far. Several other FDPs are being planned in near future.

## VISITS

R-CAT hosted several important visits during April-June 2023. Leaders and delegates from Industry, Academia and Government Agencies visited R-CAT and appreciated the institute's work to promote affordable, accessible and inclusive tech education. Among the most notables include the SAS Global Team led by Mr. Sean O'Brien, IIM Udaipur team led by Prof Ashok Banerjee, Tamil Nadu Government team led by Mr. Praveen Nair (IAS), ESRI Team led by Mr. Agendra Kumar, Chandigarh University tem led by Prof Sanjeev Jain, and a team of IAS Probationers.

## TESTIMONIALS

**Prof. Ashok Banerjee**  
Director, IIM Udaipur

### Unique Government Initiative

This is my first visit to R-CAT and I am really impressed. The building is the state-of-the-art, the equipment(s) are modern, people are passionate, and there are right infrastructure. I can't believe that it is state government's initiative. I am sure it will attract talents and provide entrepreneurship and training to people of Rajasthan so that they can go and make places & make names in the field of modern technologies.

**Mr. Praveen Nair (IAS)**  
Director of E-Governance, Tamil Nadu

### A Model to Replicate

First time I have seen such a facility like R-CAT. The idea of the government is to create an international standard of Finishing School by having IT bigwigs offering international certifications to prepare college students to become professionals. This is a great concept. The idea of Hub and Spoke is also very useful. If this idea can really be implemented in letter and spirit, in a few years, we can see tremendous transformation in our human resources in IT Sector which can spread to other sectors as well. I am happy to visit R-CAT from Tamil Nadu and would like to replicate such a model in our state so that we offer the best to our future talents.

**Ms. Anju Singh**  
Member, National MSME Board, Govt of India

### Towards Gender Inclusive Tech

I am happy to visit R-CAT and appreciate the world-class infrastructure in Jaipur. Grateful for the training offered for our women entrepreneurs of Laghu Udyog Bharti in Digital Design who are highly impressed with the quality of training they received and they want to received more advanced training in this area. Thank you for working for gender inclusion and I am especially happy to see the R-CAT marching ahead with two highly capable women leaders at the helm of affairs.

**Bajpalli Vallab Rao**  
Managing Director, PHYTEC

### Make in Rajasthan

As we inaugurate the Phytex Embedded IoT CoE at R-CAT Rajasthan, we are happy to partner with Government of Rajasthan and bring this German Technology to Rajasthan to increase the number of embedded engineers in the state and thereby contribute to Make in Rajasthan in the field of advanced and emerging technologies.

- (ii) Sustainability & built Heritage,
- (iii) Conserving Built Heritage,
- (iv) Sustainable Policies for Environmental and Infrastructure Planning,
- (v) Earth and Environmental Planning & Design

## 2. Objective of the Event

This conference was a gathering of minds dedicated to addressing the pressing challenges of sustainability that affect our world today and tomorrow. It recognized that sustainability is a multifaceted concept that requires interdisciplinary collaboration and rigorous research. By bringing together scholars, educators, and practitioners, the conference facilitated the exchange of ideas and the development of solutions that promote a more sustainable, resilient, and environmentally friendly built environment.

## 3. Beneficiary of the event

This interdisciplinary forum is for scholars, teachers, and practitioners from the built environment professional discipline who share an interest in—and concern for— sustainability in an holistic perspective, where environmental, cultural, economic and social concerns intersect.

## 4. Brief Description of the event

The conference was hosted by Department of Interior Design and School of Architecture and Design, Faculty of Design at Manipal University Jaipur. This interactive and engaging event is tailored exclusively for our researchers, as part of our commitment to foster continuous learning, future research opportunities. The presentations focused on sustainability as the prime agenda and paved way for the researchers to present their work at an international level.

## 4. Details of the events

An Exhibition on living heritage of Rajasthan organized by RIC Jaipur on 28<sup>th</sup> April 2023 by Govt. of Rajasthan.

## 5. Brief Description of the event

Rajasthan, known as the "Land of Kings," boasts a rich and vibrant living heritage that reflects the state's cultural tapestry. This cultural legacy is manifested in its majestic palaces, intricately carved temples, and lively folk traditions. The architecture of historic forts like Amer and Jaigarh, the resplendent City Palace in Jaipur, and the serene Jal Mahal showcase the grandeur of Rajasthan's past.

The state's living heritage is not confined to monuments; it thrives in the colorful traditions of dance, music, and art. Rajasthan's folk dances, such as Ghoomar and Kalbelia, and traditional music forms like the Manganiyar and Langas add rhythm to the cultural landscape. The vibrant attire, including turbans and ghagras, worn during festivals and ceremonies, reflects a timeless aesthetic.

Rajasthan's living heritage is a dynamic blend of history and contemporary life, seamlessly integrating age-old customs into the fabric of modernity. This unique fusion makes Rajasthan a captivating destination where the past comes alive, narrating tales of valor, romance, and enduring traditions.

An Exhibition on living heritage of Rajasthan organized by RIC Jaipur on 28<sup>th</sup> April 2023 by Govt. of Rajasthan.

## 5. Brief Description of the event

Rajasthan, known as the "Land of Kings," boasts a rich and vibrant living heritage that reflects the state's cultural tapestry. This cultural legacy is manifested in its majestic palaces, intricately carved temples, and lively folk traditions. The architecture of historic forts like Amer and Jaigarh, the resplendent City Palace in Jaipur, and the serene Jal Mahal showcase the grandeur of Rajasthan's past.

The state's living heritage is not confined to monuments; it thrives in the colorful traditions of dance, music, and art. Rajasthan's folk dances, such as Ghoomar and Kalbelia, and traditional music forms like the Manganiyar and Langas add rhythm to the cultural landscape. The vibrant attire, including turbans and ghagras, worn during festivals and ceremonies, reflects a timeless aesthetic.

Rajasthan's living heritage is a dynamic blend of history and contemporary life, seamlessly integrating age-old customs into the fabric of modernity. This unique fusion makes Rajasthan a captivating destination where the past comes alive, narrating tales of valor, romance, and enduring traditions.

## 4. Brief Description of the event

On 16/08/2023 we the COSMOS club of MUJ gave a visit to an orphanage "Matra Chaya Bal Grah". They provide shelter, food and education to the orphan and rescued children and considers them as family. When we reached the orphanage, they were overwhelmed, and we could see the happiness in their eyes. They looked happy but still we could feel their pain of not being able to live with their dear ones. But still, it looked like a big joint family living together under a roof. All these people were so joyful and jolly as if they are in their home. Also, it's totally mesmerizing that they had their characters like the naughty one in the group, the learned one, the one who teaches everyone, the one who is the leader and so on and that was adorable.

Our experience involved cheerful memories like drawing with them, making some beautiful clay toys and hence creating the Cosmos letter by those toys, performing dance for them in fact making them dance with us, serving them food, all these moments were just mesmerizing. While being engaged in art and craft activities we saw such an amazing set of skills and creativity in each of them in such young ages which was quite appreciable. All of them were so excited about the gifts which were given to the winners. Also, we donated some food items

and essentials to the orphanage. Another thing worth mentioning was going there and simply interact with them.... it just gave them a personal touch and they were extremely happy about it.

But at the same time there were some emotional moments when we realized these beautiful faces, we are looking at have no parents and a birth family but still they were happy.

Even after going through so much in life these people are so joyful and thankful for life and have no complains about it. They taught us that "We must cherish all our happy moments."

Also, they made us realize the true value of our elders, our parents and grandparents and definitely implanted a seed of respect and love towards them.
