Manipal University Jaipur acknowledges the significance of practical engagement and has established student volunteering programs in partnership with non-governmental organizations (NGOs). These initiatives offer students experiential learning opportunities to tackle real-world challenges associated with the Sustainable Development Goals (SDGs). In areas such as community development, environmental protection, healthcare, and education, these programs enable students to make meaningful contributions to society while acquiring essential practical skills and a comprehensive understanding of the prevailing issues. Collaborative research efforts between Manipal University Jaipur and NGOs play a crucial role in producing insights and solutions pertinent to the SDGs. These partnerships leverage the strengths of both organizations to perform in-depth studies and analyses aimed at uncovering the underlying causes of various challenges. Such collaborations significantly enhance evidence-based policymaking and the formulation of effective strategies to confront these issues. By integrating academic rigor with practical knowledge, these research initiatives provide detailed perspectives and actionable recommendations that promote sustainable development. Manipal University Jaipur and NGOs work together to create educational materials that motivate and inform action. Through the development of curricula, workshops, and digital resources, they strive to enhance awareness and educate future leaders and change-makers about the significance of the SDGs. These educational programs equip students and the wider community with the necessary tools and knowledge to foster positive change, cultivating a global perspective and a sense of responsibility. The involvement of students in volunteer programs plays a crucial role in community development, while the research projects and educational materials produced enhance the understanding of pertinent issues, thereby facilitating informed decision-making and policy formulation. By combining the academic strengths of the university with the practical experience of NGOs, this collaboration creates a vital synergy necessary for confronting the challenges associated with the SDGs. The effects of these initiatives extend beyond immediate results, shaping perspectives, influencing policies, and contributing to long-term sustainable development strategies. Subject: Letter of appreciation and gratitude for workshop

Respected Sir/Madam,

I am writing on behalf of Aashray Care Home, Jaipur, to express our deepest gratitude to the Department of Fashion Design and the Directorate of Student's Welfare at Manipal University Jaipur, in collaboration with the National Service Scheme (NSS), for conducting a remarkable workshop on crochette and paper origami on 18th October 2023.

The workshop, led by the dedicated faculty coordinators, Mr. Harshwardhan Soni and Ms. Pratibha Mishra, was a beacon of hope and inspiration for the 30 girls at Aashray Care Home who are affected by HIV. The initiative not only provided them with valuable craft skills but also instilled a sense of self-dependence and purpose in their lives. Your team's commitment to addressing Sustainable Development Goals (SDG's) 1, 2, 3, and 4 through this workshop is truly commendable.

The collaborative effort demonstrated by your institution and the NSS showcased a profound understanding of the importance of education and skill development, particularly for individuals facing challenging circumstances. Through your workshop, these young girls were empowered with creative skills that will undoubtedly contribute to their livelihoods and personal growth.

We appreciate the thoughtfulness and expertise your team brought to the workshop, making it a meaningful and enriching experience for the participants. Your dedication to social causes and community development is evident through your actions, and we are truly honored to have been a part of this initiative.

Once again, thank you for your valuable contribution to our cause. We look forward to the possibility of collaborating on similar projects in the future and continuing our joint efforts to make a positive impact on the lives of those in need.
