

Manipal University Jaipur's Commitment to Sharing Sports Facilities with the Local Community

Manipal University Jaipur (MUJ) believes in the transformative power of sports to foster community engagement, promote physical well-being, and nurture talent. In line with its commitment to social responsibility and inclusivity, MUJ opens its state-of-the-art sports facilities to the local community, providing opportunities for individuals to access high-quality infrastructure and cultivate a culture of fitness and athleticism.

The university's sports complex, which includes modern facilities for a variety of indoor and outdoor games, is designed not only for student use but also for the benefit of the local population. MUJ offers community access to its well-maintained fields, courts, and training equipment for sports such as football, cricket, basketball, tennis, and more. This inclusive approach allows aspiring athletes, fitness enthusiasts, and sports teams from nearby areas to practice and hone their skills in a professional environment. By sharing its facilities, MUJ promotes health and wellness among all age groups, encouraging physical activity as an integral part of daily life. In addition to supporting casual use, the university also organizes sports events, tournaments, and fitness camps that involve both students and community members, fostering a spirit of unity and collaboration. These events provide a platform for local talent to showcase their abilities, while also inspiring students to engage with the broader community in a meaningful way.

MUJ's efforts extend beyond just the provision of infrastructure. The university's experienced coaches and trainers often lead sports workshops and fitness programs for community participants, helping to improve skills, build teamwork, and enhance overall well-being. Through these initiatives, Manipal University Jaipur demonstrates its commitment to being a community-oriented institution that actively promotes healthy lifestyles and inclusivity. By sharing its sports facilities with the local community, MUJ not only encourages physical fitness but also strengthens the bond between the university and the people it serves.

DIRECTORATE OF SPORTS

On June 21, 2023, Manipal University Jaipur's Directorate of Sports hosted the INTERNATIONAL Day of Yoga. As you are aware, June 21st is designated as International Day of Yoga (IDY). For the past eight years, it has been an international getaway that has successfully aided in spreading awareness of the value of yoga practise for long term sustainability and overall wellness.

The focus of this year's International Day of Yoga (IDY) observance is "Harmonious Mass Yoga Demonstrations," with the subject "Yoga for Vasudhaiva Kutumbakam." "Har Aangan Yoga," which is being spread to introduce yoga to every home at the grassroots level, is the domestic tagline for IDY '23. Yoga is a discipline that can be practised regularly to enhance natural defences and promote health. Yoga practise aids in increasing metabolism, preserving healthy blood circulation, and lowering susceptibility to diseases including diabetes, cardiovascular disease, and diabetes-

related problems. Additionally, yoga enhances mental health and emotional toughness and helps people manage typical negative emotions such as fear, worry, tension, boredom, depression, and impatience.

1. Introduction of the Event: -

Directorate of Sports Manipal University Jaipur organized the INTERNATIONAL Day of Yoga on 21st June 2023 to promote to promote Yoga for Vasudhaiva Kutumbakam • वसुधैव कुटुम्बकम् के लिये योग • # हर आगन योग and peace among individuals through yoga.

the 1st IDY was inaugurated on 21st June 2015 by Prime Minister, Shri Narendra Modi. Common Yoga Protocol (CYP), a specified sequence of Yogasanas of 45 minutes, lies at the heart of the IDY observation. It was developed by some of the most accomplished Yoga gurus of India in 2015. Conceived with the need to organize harmonious mass Yoga demonstrations in observance of International Day of Yoga (IDY), it comprises the ideal assemblage of asanas for inducting beginners to Yoga practice. It was designed meticulously so that people from various age groups and all walks of life can participate and reap the health benefits of Yoga.

On the International Day of Yoga (i.e., 21st of June), the Common Yoga Protocol is normally performed in groups from 07:00 am to 07:45 am. This is an attempt to ensure that the entire country is in harmony in doing Yoga to mark the IDY. After 07:45 am, the organizers of the event may follow any suitable and customized 15-minute programme, which could be a Yoga drill, speech, prayer etc. Thus, the IDY observation is a 1-hour activity from 07.00 am to 08.00 am. Since the focus of IDY would be on group Yoga demonstrations based on CYP, organizers of each IDY event may take efforts to familiarize the intended participants/public with CYP well in advance. CYP being 45 minutes -long activity, experts have estimated that it ideally needs 15 hours of training (ideally one hour per day) to learn it. However, even with about 5 hours of familiarization, one can join the CYP demonstration in the spirit of participation. All stakeholders and organizers, therefore, include CYP training/ learning as an important activity in the preparatory efforts of IDY. It is seen from the experience of the last seven years that many of those who learn CYP in the spirit of participation in IDY continue to practice the same even beyond the IDY. Thus, participation in IDY becomes a starting point for the regular pursuit of Yoga.

2. Objective of the Event: -

Mann Ki Baat is an Indian radio program hosted by the Prime Minister of India. This program can listen on Radio Nation Channel, DD National as well as DD News.

After taking office in 2014, Prime Minister of India used a simple medium such as the radio to reach out to the public and to let people know their thought and vision through it.

His program has been named 'Mann Ki Baat'. Address of 15 places has been given for Mann Ki Baat, 61000 ideas were sent by the people to those addresses from which one of the ideas is kept. For this, audio from 1.43 lakh audiences comes every month, out of which some selected calls are broadcast. Prime Minister Narendra Modi started an initiative called Mann ki Baat. It broadcasted for the first time on 3rd October 2014, which presented as a general message to people from their prime minister. These 20 minutes message broadcasted on Vijaydashami.

The purpose of broadcasting this program from the radio was that his voice could be reached to remote villages because TV is not accessible in every place in India, especially in rural and less developed areas still lack all these facilities.

Apart from MM Rainbow, DD Bharati, DD Kisan, the program can also be heard on AIR Android mobile app All India Radio Live, iOS and Windows. He told the public about the success of Mars Mission, Skill Development and Swachh Bharat Abhiyan. Along with this, he talked for a scholarship for differently abled children and a website MyGov.in, which has been made to directly connect people with the government where one can share his views.

He had talked about Khadi. Health facility improvement, his experiences with soldiers in Siachin, drug issues in India and for their help a toll-free number were some other concerns. He did an episode with American president Barack Obama. Both answered some question asked by some Indian citizens. In his last Mann ki Baat he talked about the environment, plastic waste, fight against malnutrition etc. We should have such leaders who have a vision for the country.

The reception of Mann Ki Baat was done in a very commendable manner. The goal of this program was to connect with the people of the entire country, it was accomplished through this program.

People from all over the country, especially those living in metropolitan cities, showed interest in listening to this program and sending their ideas. A survey found that about 66.7% of the population of 6 Indian cities, including Mumbai and Chennai, tuned the Mann Ki Baat program of the Prime Minister of India.
