**International Summer School, Manipal University Jaipur (ISSMUJ) 2025** is a multi and interdisciplinary event under the umbrella of Directorate of International Collaboration (DoIC), Manipal University Jaipur (MUJ), Rajasthan, India. The event is aiming to offer Bachelor or Master students the opportunity to participate in three to four weeks study/training programme, with the possibility of choosing from a variety of courses that mirror the comprehensive character of our university.

The courses offered from various departments of the university are credit based. At the completion of the course, participants will earn course certificate with 03 equivalent credits.

Summer School Program has been planned from **June - July 2025** in Hybrid Mode.

The proposed event will also attract our partner university's students and pan-India students to participate (Incoming Online/Offline students).

List of Courses			
Sr. No.	Course Name	Department	Instructor Name
1	Implementation of RL learning on Industrial System	Mechatronics Engineering	Dr. Ashok Kumar Kumawat
2	Designing Transition metal-based Catalysts to utilize in Green reactions	Chemistry	Dr. Sriparna Ray
3	VLSI circuit design using Cadence: Schematic to layout	Electronics and Communication Engineering	Dr. Neha Singh
4	Research Internship (Law)	Law	Dr. Jyoti Shama(BIT Mesra)
5	Generative AI, Prompt Engineering and Large Language Models	Computer Applications	Dr. Sonu Agrawal Mr. Albin Anto Mr. Akshaya Kishor
6	5G and Microstrip Antenna Technology	Electronics and Communication Engineering	Dr. Vaibhav Bhatnagar Dr. Linesh Raja
7	Legal Basics for Startups in India	Law	Dr. Amit Rathi
8	Image processing using Verilog	Electronics and Communication Engineering	Ms. Hiteshi Agarwal
9	Certificate course in French	Languages, Literatures and Cultural studies	Dr. Neha Singh Dr. Shilpi Birla
10	Smart Built Environments with AI BIM and Responsible Research	Architecture and Design	Dr. Alka Mathur Dr. Anand Kumar Soni
