**MANIPAL UNIVERSITY JAIPUR (MUJ)
PUBLIC NOTICE – Beware of False Claims by “EduGulf”**

Date: 16th June, 2025

It has been brought to the notice of Manipal University Jaipur (“MUJ”) that a private entity styling itself as “EduGulf” is misrepresenting on its website (WWW.EduGulf.org) that it is authorised to enrol students to MUJ’s online degree programmes. EduGulf has displayed MUJ’s name and logo alongside its own marketing material.

MUJ unequivocally clarifies the following:

1. MUJ has no past or present agreement, MoU, franchise, agency or any other arrangement with EduGulf.
2. Admissions to all MUJ programmes (on-campus or online) are processed exclusively through the University’s official channels: from its website: <https://jaipur.manipal.edu>, or by direct contact with MUJ’s Admissions Office (admissions@jaipur.manipal.edu/info@mujonlinemanipal.com/+91-141-399-9100).

MUJ does not authorise third-parties or intermediaries to collect fees, documents or personal data.

3. Applicants, students, parents and the public are cautioned and advised not to remit any money or share personal information with EduGulf or any individual claiming association with MUJ through EduGulf. MUJ will not be responsible for loss or prejudice arising from such dealings.
4. Any person who has been approached by EduGulf, or notices misuse of MUJ’s name/logo elsewhere, is requested to write to legal@jaipur.manipal.edu with supporting evidence.

It is reiterated that Students’ interest and regulatory compliance are paramount. MUJ will pursue every remedy-civil, criminal and regulatory, to protect its name and its students and the public at large from fraud.
