

Mini Hacks 3.0- ACM

Date of Event: 31/03/2023 - 01/04/2023

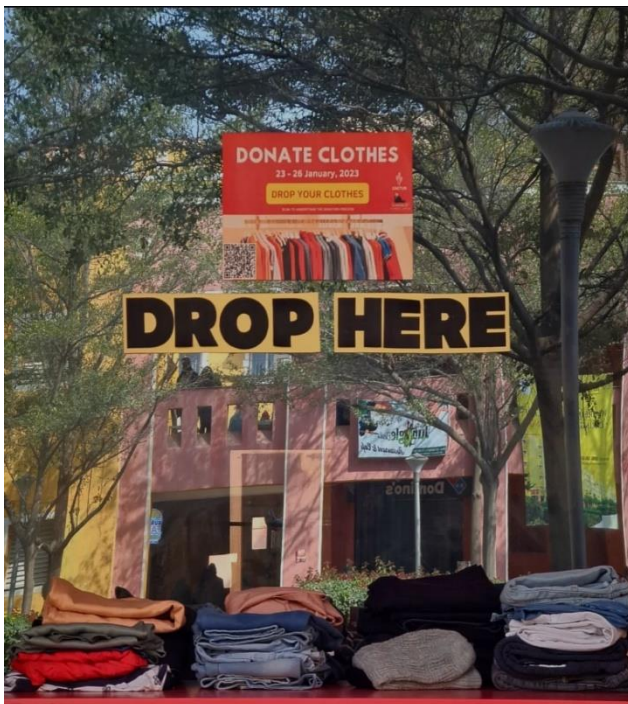

Mini Hacks 3.0 is a 24-hour hackathon designed for freshers with a focus on fostering an inclusive and supportive atmosphere. Mini Hacks 3.0 offers hands-on experience in problem solving and introduces freshers to the world of competitive programming. The event promises to be a fun and engaging experience for participants to explore their interests and passions, and to ignite their passion for technology and innovation. Mini Hacks 3.0 is specifically designed for freshers to showcase their creativity and technical skills. This event provides a platform for aspiring developers and designers to come together, collaborate and build innovative solutions to real-world problems.

SAROJINI THRIFTING WEEK

DATE: 23RD - 26TH JANUARY 2023

Sarojini Thrifting Week was a unique and exciting celebration of sustainable fashion, where participants immersed themselves in the vibrant thrifting culture of Sarojini Nagar, one of Delhi's renowned shopping districts. This event was a collaboration with the fashion club of MUJ- Cactus. This event encouraged individuals to explore the treasure trove of pre-loved fashion finds, promoting the principles of eco-friendly and affordable style. During Sarojini Thrifting Week, fashion enthusiasts, and eco-conscious consumers alike, embarked on a thrifting journey, discovering hidden gems and unique pieces at budget-friendly prices. From trendy apparel to vintage accessories, Sarojini Nagar's bustling markets offered a diverse range of fashion items, each with its own story and character. The event aimed to raise awareness about the environmental benefits of thrifting and reusing clothing, reducing the ecological footprint associated with fast fashion.

Clubs Unveiling and Membership Drive

Date of Event: 27/10/2023 - 29/10/2023

The Club Unveiling and Membership Drive Event, taking place from October 27th to October 29th, 2023, offers an engaging platform where various clubs within our college come together to showcase their unique offerings. During this event, each club will set up informative desks on campus, providing students with insights into their respective missions, activities, and opportunities for involvement. The primary objective of this event is to formally introduce all the clubs and chapters and to spotlight the club's vision, mission, and the diverse spectrum of activities and advantages it extends to MUJ students. It's a fantastic opportunity for our student community to explore a diverse array of clubs, discover their interests, and consider joining these vibrant organizations.

TMC Live 6.0

Date of Event: 30/10/2023 - 01/11/2023

TMC LIVE 6.0 is an electrifying flagship event organized by the Manipal University Jaipur's prestigious TMC (The Music Club). Known for its pulsating energy and vibrant performances, this annual extravaganza serves as a platform for showcasing the exceptional musical talents of the club members. With a rich history of success, TMC LIVE 6.0 was also an unforgettable experience, combining musical excellence with a vibrant and engaging atmosphere. The Music Club Manipal University Jaipur hosted some of the best TMC bands, ensuring a captivating and diverse musical experience for the attendees. These bands have been carefully selected based on their exceptional musical prowess and their ability to enthrall audiences with their performances. The audience experienced a dynamic and engaging lineup that spans various genres, showcasing the incredible range of talent within the TMC community. From soulful renditions to high-energy performances, the TMC bands created an electrifying atmosphere that celebrates the art of music in its purest form.

IEEE IC HACK

Date of Event: 30/09/2023 - 01/10/2023

The IEEE India Council Hackathon took place on September 20th and 21st at Manipal University Jaipur (MUJ). This two-day event challenged participants to collaborate, ideate, and develop solutions for real-world problems using their technical expertise. Participants formed teams, brainstorm ideas, and worked on coding and building projects within a limited timeframe. The event also featured mentorship sessions, workshops, and networking opportunities with industry professionals and experts. At the end of the hackathon, teams presented their projects to a panel of judges, who evaluated the solutions based on creativity, technical implementation, and potential impact.

COMPETITIVE PROGRAMMING WORKSHOP-

RANDOMIZE

Date of Event: 16/08/2023

Randomize (); kicked off this semester's activities with an insightful Competitive Programming workshop on the 9th of September in the Smt. Sharda Pai Auditorium. The event's highlights include a detailed explanation and understanding of the domain of competitive programming and helping students build the logic from scratch prior to beginning to code.

TALK WITH COL. RAJEEV BHARWAN- Humans of Manipal

DATE: 16th September 2023

The talk with Colonel Rajeev Bharwan in collaboration with the LearnIT club proved to be an insightful and inspiring event, providing attendees with a deep dive into the world of military leadership and strategy. Colonel Bharwan shared a wealth of experience, offering a unique perspective on leadership principles and the challenges faced in the military arena. Throughout the talk, Colonel Bharwan provided a compelling narrative of his career, offering glimpses into the triumphs and trials that shaped his journey. Attendees were captivated by stories of courage and determination, gaining valuable insights into the mindset of a seasoned military strategist. The interactive nature of the session allowed the audience to engage in a dynamic exchange with the Colonel, posing questions that further enriched the conversation. The event successfully bridged the gap between military wisdom and civilian leadership, leaving participants with a deeper understanding of the principles that transcend both realms. The event served not only as a tribute to the Colonel's distinguished career but also as a source of inspiration for individuals seeking to apply strategic leadership principles in various aspects of their lives.

ANOVA X Deloitte Industry Connect

DATE: 12/10/2023

At ANOVA, we believe that the journey to greatness begins with strong partnerships and the right inspiration. Our collaboration with Deloitte US-India Offices is a testament to our commitment to unlock opportunities for our students. It is a stepping stone for them as they aspire to achieve their dreams and make a significant impact in the industry.

We appreciate our incredible speakers, Dr. Sandeep Kumar Sharma (Managing Director & CIO) and Mr. Chandra Narra (Managing Director) for generously sharing their invaluable insights and experience in the field of Data Science & Analytics.

RANGOLI COMPETITION- Biotech Club

DATE: 31/10/2023

"From Petri dishes to Rangoli palettes" "Small but significant", Our Rangoli Competition brought bacteria and viruses to life in a burst of colours, on the fascinating world of bacteria and viruses. The students witnessed the beauty of the microcosm in every stroke.

#ArtMeetsScience #RangoliRevolution"

Mock Placement Drive- 180 DC Club

DATE: 28/09/2023- 29/09/2023

Mock Placement Drive 2.0 is an educational event designed to simulate and prepare individuals for the job placement process. Organized collaboratively by 180 Degrees Consulting MUJ and T.I.M.E. (Triumphant Institute of Management Education), this event is scheduled to take place on the 28th and 29th of September 2023. This event encompasses the following key components:

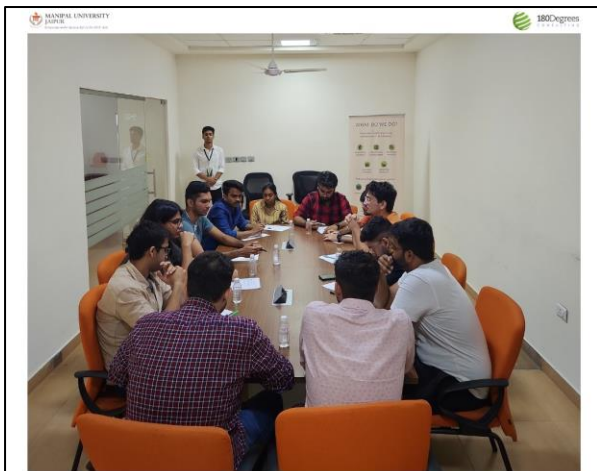

Aptitude Assessment: Participants will engage in analytical and problem-solving exercises to assess their cognitive abilities.

Group Discussion: An interactive session to evaluate communication and teamwork skills through group discussions.

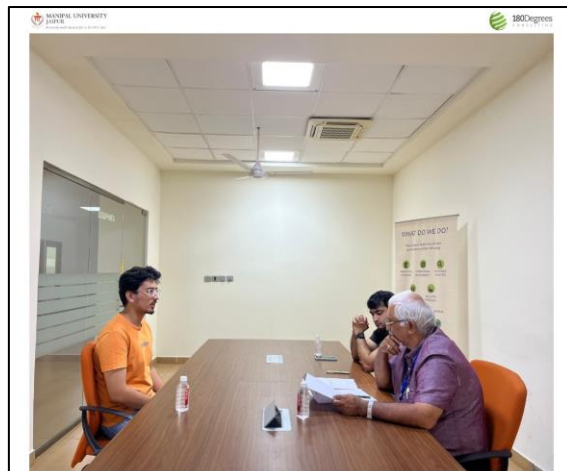

Mock Interviews: Participants will undergo simulated job interviews to gain familiarity with real- world interview scenarios.

Furthermore, as an incentive for top performers, this event offers the opportunity to earn scholarships for T.I.M.E. Courses, contributing to their professional development.

Mock Placement Drive 2.0 serves as a platform for individuals to refine their employability skills and gain practical insights into the recruitment process, ultimately preparing them for successful entry into the job market.

Navigating discussions with TIME's expertise! A snapshot of our Mock Placement Drive group discussion

"Moments of truth": Selected candidates facing the interview heat at our event."

National Sports Day Marathon- Olympism Club

DATE: 25/08/2023

The event took place in collaboration with the Directorate of Sports took place on 25th August 2023, 4 days prior to the National Sports Day. It was organised to celebrate Late Maj Dhyan Chand's birth anniversary. And what is better and more inclusive than a good old marathon? 8km for boys and 4km for girls, the marathon saw participation from more than 100 participants which also included 3 staff members.

Girls' Futsal League- Olympism Club

DATE: 27/09/2023-29/09/2023

The first ever Futsal/Football league for girls was organised in collaboration with the Girls' Football team. It was a three-day long League taking place from 27th - 29th September 2023. An auction of players was first done on 21st September 2023, where the 4 team captains procured each player with the points that they were given beforehand. The event saw participation of 29 girls and increased the entire team's morale exponentially.

DAASTAAN- Convergence

DATE: 25/08/2023

With a new batch of freshies coming up, Convergence organised an Open Mic event called "DASTAAN". We had attendees swarming the venue while all the participants put their foot forward and performed whatever their heart desired. We had people performing poetry, music, instrumental pieces, dance pieces, rap battles, monologues and stand-up comedy.

With DASTAAN we intended to provide a stage and a little push to the fresh faces of Manipal with a tagline "Aap kahaani sunana shuru to Karo, bheed hum khadi kar denge!"

Incandescent- Cinefilia

DATE: 04/11/2023- 05/11/2023

Recapping the spectacular Incandescent - The Filmmaking event of Cinefilia, witnessed a convergence of cinematic brilliance. Despite the fact that the event made its comeback after 4 years due to the COVID aftermath, it did not seem to disappoint. The Filmmaking competition, drawing entries from esteemed educational institutions such as Symbiosis- Pune, NMIMS- Mumbai, Christ University-Bangalore, Ashoka University - Sonipat and many more. The event truly showcased the pinnacle of creativity. The winning entry, deserving of its acclaim, not only earned recognition but also a substantial cash prize of 5K.

The event started with a huge carnival, called Ilm-e-bazaar, a beautiful inauguration ceremony, the literary events and ended with a beautiful SUFI NIGHT with the artist Rishi Grover and his band Dastaan. The event took place on 15th-17th September. The event was fruitful in its motive of getting more and more people connected to literature.

MUJMUN 10.0- LITMUS

DATE: 26/08/2023- 27/08/2023

MUJMUN, this year celebrated its 10th anniversary and held a huge gathering for all debating and MUNing enthusiasts with over 7 committees and a participation of over 500 inhouse and outhouse students. The grand event also had an elaborate and beautiful prom night. And as the cherry on top, there was a prize pool of 75k. The event was held on 26th and 27th August 2023. The event was a huge success as every participant went home with great diplomacy experience and learned a lot.

Hack {Her} - IEEE WIE

Date of the Event: 17/02/2023-18/02/2023

Hack {Her} conducted by IEEE WIE MUJ from 17th-18th February 2023 was a women centric hackathon which would help the participants code under pressure and give them an exposure of solving problems based on real life scenarios. The goal was to promote problems faced by women in today's date and get solutions for them from the point of view of this generation students.

Tech Trends - IEEE WIE

Date of the Event: 31/10/2023

IEEE WIE MUJ hosted a Fireside Chat with Ms. Purnima Kochikar- Vice President of Play Partnerships at Google Play on 31st October 2023. The event was an interesting amalgamation of product innovation, design-thinking, and women empowerment. Ms. Purnima Kochikar - Vice President of Play Partnerships at Google Play spoke about her career journey and gave out indispensable professional advice to the audience members. She also took out time to elaborately answer audience members' questions regarding product-market fit, future technologies and spoke about the importance of diversity and inclusion in tech.

Network with WIE 2.0 - IEEE MUJ

Date of the Event: 31/10/2023

Network with WIE 2.0 was an exclusive girl's event conducted by IEEE MUJ designed to foster a strong sense of community while providing incredible opportunities for networking. The event offered an excellent platform for networking, allowing attendees to connect and interact with peers from various academic backgrounds. Notably, there was a career talk featuring seniors who have successfully completed internships at prestigious companies.

Genesis 3.0 - IEEE MUJ

Date of the Event: 22/09/2023-24/09/2023

Genesis 3.0, the annual tech fest presented by IEEE MUJ, unfolded as a remarkable blend of innovation and amusement. As we reflect on this year's events, we journey through a series of intellectually stimulating and entertaining challenges.

Commencing with "CSS Combat," a battle of design prowess, the fest embraced the artistic brilliance of "Digital Graffiti," where students transformed binary code into pixelated masterpieces. "Code-it-on" showcased the rapidity of coding, making software development appear as seamless as a Raspberry Pi. In "Lights Camera Auction," participants exhibited their auctioneering finesse, bidding on an array of gadgets. "Breakout 4.0" engaged minds in solving intricate puzzles, akin to assembling the Avengers, while "Tech Summit" fostered intense discussions among brilliant tech enthusiasts.

Genesis 3.0, a technological marvel, defines itself as a platform that sparks innovation among engineers. It is a celebration of advancements in technology, uniting individuals from diverse backgrounds through technical and semi-tech events.

In essence, Genesis 3.0 stands as a testament to the creativity and technical prowess of our students, leaving an indelible mark on the landscape of technology. Until the next chapter unfolds, stay connected!

India Council Hack 2.0 - IEEE MUJ

Date of the Event: 30/09/2023-01/10/2023

IC Hack 2.0 by IEEE Student Chapter in collaboration with IEEE India Council was a National Level Hackathon that witnessed teams from all over India. There were 4 pathways for the participants to choose from – Computer Vision, Open Innovation, Healthcare, and Transportation. The event was held in two phases- phase I saw 300+ teams of which 59 teams made it to phase II. Phase II was conducted offline at Manipal University Jaipur wherein participants had to create working demos of their ideas and present it to the judges. They were given 36 hours to code their ideas into tangible solutions.

Tech Summit 2.0 - IEEE MUJ

Date of the Event: 24/09/2023

Tech Summit 2.0 organised during Genesis 3.0 by IEEE MUJ was a technical discussion that witnessed panellists like Mr. Sandeep Jain, Ms. Aditi Gupta, Mr. Tejas Patil and Mr. Paritosh Anand. They spoke about their journey in the tech industry and gave out indispensable guidance to the audience members to succeed and make their own niches in the cut-throat industry.

Trail of Trades 2.0 - IEEE SB MUJ

Date of the Event: 01/04/2023

The Trail of Trades was an engaging offline event that revolved around the concept of monopoly. It brought together 33 teams, each consisting of three participants, for a memorable experience. Over 400 individuals took part in Quiz 1, but only the top 99 were chosen to proceed to the next phase. The event further delighted participants with entertaining game events, where they had to win games to collect cards and engage in a lively game of Monopoly. Overall, it was a fun-filled affair that combined elements of competition and strategy.

Cryptocrunch 3.0- IEEE

Date of the Event: 01/04/2023

Reflecting on the recently concluded Crypto Crunch 3.0, our mock trading competition provided participants with an exhilarating 7-day experience, navigating the dynamic world of digital assets with a virtual \$50,000 USD. During this event, students engaged in risk-free trading, experimented with various investment strategies, and gained firsthand insights into market trends. Guided by real-world cryptocurrency values, the competition successfully mirrored the complexities of actual trading.

The screenshot displays the Bitget futures trading interface for MATICUSDT. The top navigation bar includes a home icon, the URL bitget.com/futures/su, and a search icon. Below the navigation bar, there are tabs for 'Futures Info' and 'Copy Trading'. The main content area shows the MATICUSDT market with a price of 25,667.0. The order book is visible, showing various price levels and amounts in SBTC. The trading panel on the right includes a 'Manual' tab, a 'Trading bots' section, and a 'Limit' order type selected. The 'Available' field is highlighted with a red box, showing '3,000.0000 SUSDT'. The interface also includes a 'Close all positions' button at the bottom.

Price	Amount (SBTC)	Total (SBTC)
25840.0	38.974	49.000
25820.0	10.026	10.026
25800.0	25,667.0 ↓ 25,668.3	
25780.0	8.110	8.110
25760.0	2.853	10.963

Elohim- IEEE

Date of the Event: 01/04/2023

Elohim served as the grand finale of IEEE MUJ's annual tech fest, a spectacular amalgamation of technology and culture. The stage lit up with dynamic performances by superstar stand-up comedian Akash Gupta had the audience in fits of laughter, setting the tone for the night. Following his act, DJ Aztec from Sunburn took center stage, transforming the atmosphere. The evening also featured our university's talented dance, music, and theatre clubs wowed the crowd with sensational performances.
