# SYNERGY

Volume 3 | 2020-21

Directorate of International Collaborations (DoIC)

## Message from The President, MUJ

"Internationalization and effective collaboration with esteemed global institutes is an important priority and uppermost agenda of MUJ. Significant advancement has been done at MUJ to connect with new partner institutes through MOUs and various other activities. I am happy to announce that MUJ now has 100+ collaborations with global universities out of which 40+ are QS/THE top ranked. Collaborations at MUJ are focused to share human resources, education abroad, international research, scholarships, and entrepreneurship. Even during the pandemic time, remote student exchanges, online faculty interactions, virtual joint conferences/events, policy making, and other collaborative activities happened, which itself is a success. I congratulate the entire team of Directorate of International Collaborations for their determination and hope they cherish hard-earned success through the Volume 3 of SYNERGY 2020-21."

## Message from The Pro-President , MUJ

"International collaboration is a necessity to improve the quality of the different dimensions of higher education, including curriculum, research, campus life and management. It gives me great pleasure in sharing that we have collaborated meticulously with 100+ prestigious institutes representing 34 countries with Orient to Occident geographies. MUJ's 40+ collaborative institutes are top QS ranked which speaks about the impactful collaborations. This newsletter demonstrates the quality journey of our internationalization on campus especially to all students with a thoughtful planning. I very much appreciate all initiatives taken by the directorate during the pandemic for the overall growth of MUJ's Internationalization. I congratulate and wish great success in all future endeavours of the Directorate."

## Message from The Registrar, MUJ

"Heartiest congratulations to Directorate of International Collaborations on release of the third version of the newsletter – SYNERGY 2020-21. The newsletter comprises functioning of international activities during the pandemic year at MUJ. The remote exchanges and online interactions continued to bring new collaborations and pathways even during this difficult year of mobility. Achievements covered here itself validates well-deserved success of the Directorate. "Synergy" also speaks of the quality in Collaborations and Cooperation with top ranked university on board. Best wishes to the entire team of Internationalization."

## Message from Director DoIC, MUJ

It gives me great excitement to share that we have crossed the 100 mark in collaborations and co-operations with the globally renowned universities worldwide to implement quality global educational approaches into a unique ecosystem of international teaching & learning, innovation & entrepreneurship, science & research, training & culture, to produce world-class professional leaders in their interests and career ambitions. I am extremely thankful to Honourable President - Prof (Dr.) G. K. Prabhu, Pro-President - Prof (Dr.) N. N. Sharma, Registrar - Prof (Dr.) H. Ravishankar Kamath for their guidance. I'd like to thank specially to Dr. Santosh and Dr. Praveen for their unstinted support in bringing out all international initiatives so smoothly and timely during the pandemic time. Kudos to nucleus members, faculty and students for their consistent support.

## CONTENTS

## Directorate of International Collaborations

The Directorate of International Collaborations (DoIC) is established to promote internationalization and partnerships with international institutes. The Directorate facilitates collaboration and partnerships with institutions globally for student and faculty exchange, semester abroad programme, student mobility and higher education opportunities through signing of MoU with institutions and organisations.

The Directorate is headed by Mr. Ajay Kumar Sharma, Director and supported by Dr. Santosh Patil, Deputy Director and Dr. Praveen Kumar Surolia, Assistant Director. A team of faculty members acting as nucleus members further strengthen and support activities of the Directorate. With international tie ups the Directorate facilitates networking of students and faculty across partner institutions and impart training to gain practical experience in international work environment - industries, research institutes, consulting firms and laboratories. Manipal University Jaipur has over 107 Memorandum of Understanding (MoU) signed with Universities and Institutes from USA, UK, France, Australia, Russia, Malaysia, Germany, New Zealand, Portugal, Bulgaria, Czech Republic, Hungary, Nepal, Poland, Serbia, Singapore, South Africa, Switzerland, Ukraine, Thailand, Bangladesh, Indonesia, Armenia & Macedonia. Out of these 18 MoU's have been signed in 2020-21. We also have over 26 MoU's with top Institutes and Universities from pan India, like IITs and NITs. With many more MoU in the pipeline, MUJ is striving to leave its impression across the globe.

## About :

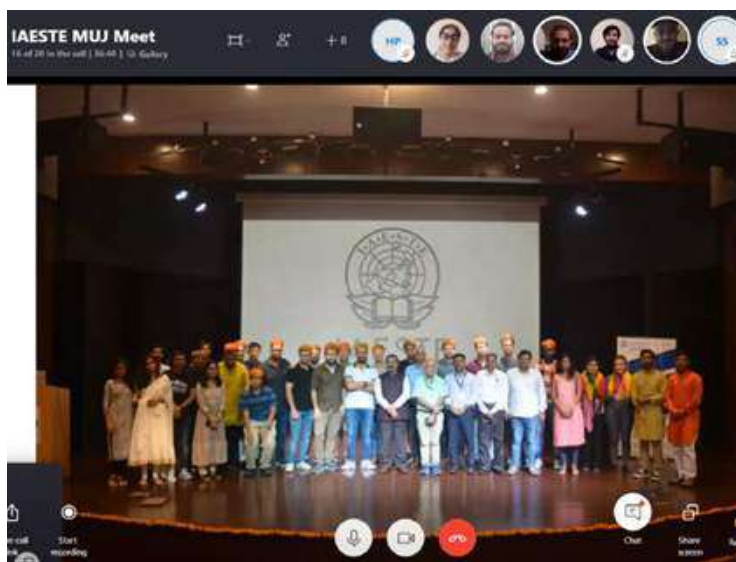

IAESTE India LC Manipal University Jaipur, established in the year 2013, aims to help its members realize their dreams and facilitate the exchange of ideas, both technical and cultural, by connecting students from various cultures and countries.

### How did LC MUJ cope up with the pandemic?

The current scenario creates challenges and hardships for everyone, but the world is much more open to remote work and overcome the difficulties and losses due to the pandemic. To overcome the challenges, IAESTE came up with an alternative approach- IAESTE Remote Internships.

IAESTE Remote Internships give you a chance to form international friendships and gain valuable work experience. At the heart of IAESTE Remote Internships lies quality. Each internship is created and defined in such a way as to ensure giving students valuable work experience. As always, we care about each trainee and provide social and intercultural experience online and at home.

IAESTE Remote Internships are an additional way, alongside IAESTE's world-known internship exchange program, to connect even more students and employers and build bridges between cultures by using the latest technologies.

## Annual General Conference

The Annual General Conference is one of the biggest and integral events of the IAESTE working calendar. Every year around 250 participants from over 80 countries all around the globe gather in one place to exchange internships, discuss the future and strategic direction of this association, elect new Board Members, share knowledge, and meet new and old friends.

The Annual General Conference for this Exchange Year was to be held in Vienna, Austria, but was conducted virtually due to the ongoing pandemic from the 22nd of January to the 28th of January 2021. Mr. Devesh Rawat, President and Exchange Head LC MUJ represented our LC at the event. Several offers were exchanged with countries like Switzerland, Poland, Turkey, Tunisia, Germany, and the United Arab Emirates, to name a few. We look forward to the conduction of these internships.

Manipal University Jaipur received the Employer Award for its spirited and dynamic contribution as an employer of IAESTE Interns for 5 years.

## National Conference

This event is presided by IAESTE India's National Committee where the working members of the existing Local Committees (LC) and Cooperating Institutes (CI) interact with each other by participating in the Strategic IAESTE Development (SID) Sessions. The main purpose of SID is to identify the existing limitations in the working of the organization and to come up with innovative solutions by forming a consortium of existing working members of different CI's and LC's. Another important highlight of the National Conference is the Inter LC Offer Exchange, where offers are exchanged on a one-to-one basis among the LC's.

An annual review of existing LCs and CIs is also presented.

## Testimonials

It was a unique experience. Thanks to this internship, I learned so much that my research skills are now much better. Even though my official internship is over, I am still working with my faculty on publishing a lecture and journal article that I am very passionate about. The people at IAESTE MUJ are very welcoming and helpful. They have worked with me through many communications and technical issues.

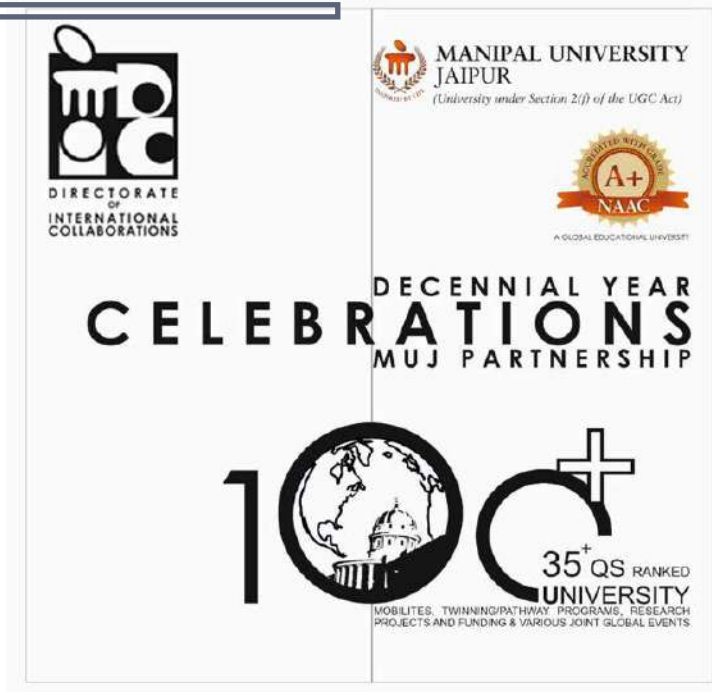

**Alzahraa Al-Hiari (Incoming Intern from Jordan)**

I got a chance to interact with IAESTE Colombia and many fellow interns from across the globe. We shared our traditions, cultures, and values. Mr. Manuel Guillermo Forero Vargas, my mentor, and professor at the university, has been a great inspiration and a guide, helping us in our research throughout. Although it was a remote internship, it has been a great experience, and I look forward to working here again.

**Tanishk Thomas (Outgoing Intern to Colombia)**

## MUJ is now a strong partner with 100+ International Universities

## Winter School 2021 (Virtual Mode)
