

## Analysis charges

SN	Analysis Modes	Time slots	Academic institutions	National Lab/R&D 's	Industry
1	Raman Spectra/ Photoluminescence (PL) (Room temp. only)	1 hour*	700/- + Service tax	1400/-+ Service tax	2500/-+ Servicetax
2	Raman Spectra/ Photoluminescence (PL) (-190°C to 600°C temp.)	1 hour**	2000/- + Service tax	3500/-+ Service tax	4500/-+ Servicetax
2	Raman Mapping/Photoluminescence (PL)-Mapping	2 hour***	2000/- + Service tax	3500/-+ Service tax	4500/-+ Servicetax

\* Minimum one-hour booking is mandatory. A maximum of four samples will be handled in one-hour time slot. User charges will multiply accordingly with booking hours.

\*\* A maximum of one sample will be handled in one one-hour time slot as the temperature-dependent measurements require the installation of a separate stage (LINKAM) to the spectrometer.

\*\*\*2 hours are the expected average time for a single 2D Raman map. A maximum of two samples will be handled in a 2-hour slot. Mapping continuing beyond 2 hours will be charged additionally.

Note:

1. A user can book multiple slots, but the maximum period for Raman Spectra and Mapping (serial no. 1, 2 &3) should not be greater than three hours in a single booking.

2. Additional GST@18.0% as applicable will be charged.
